Robb Walsh

German Style Red Cabbage Recipe:

Step-by-step guide to preserving vegetables Fermenting, pickling, canning, dehydrating and freezing your favorite products ,2024-04-02 How to Use this Book This book is based on my desire to preserve vegetables in ways that my family will eat and do that as efficiently as possible When possible I preserve vegetables in a meal ready way Instead of canning a bunch of carrot slices in quart 1 L sized jars when I bring in a large carrot harvest I ll make a batch of Canned Spice Carrot Soup and a couple of jars of Fermented Mexican Carrots Then I ll use the tops to make Frozen Carrot Top Pesto for the freezer The carrot soup is the only time consuming item the other two can be put together while the soup is processing The first part of this book is an overview of food preservation methods canning both water bath and pressure canning dehydrating fermenting and freezing You ll find the basics of how to use these methods to safely preserve vegetables but you won t find details for every scenario that could happen while preserving vegetables I ve written these chapters with enough information to get you started preserving the harvest but not so much information that it leads to confusion and information overload The rest of this book is focused on growing and preserving the most popular vegetables and herbs that are grown in the home garden Each vegetable has its own chapter and in that chapter you ll find instructions on how to grow purchase can dehydrate ferment and freeze that vegetable You will also find recipes that highlight the vegetable most of these recipes are for preserving the vegetable but some recipes use the preserved vegetable Most of the recipes are written so that you ll preserve small batches at a time simply because I find that adjusting recipes to scale up is easier than scaling down If your family likes a recipe or if you have enough of one vegetable to make two batches of a recipe just double the ingredients and it will work out fine The exception to this is any of the jam or jelly recipes don t ever double a jam or jelly recipe or you run the risk of it not setting up I hope you read through the whole book to get a vision for how these different preservation methods can work together to stock your pantry with food your family will eat Then when a vegetable is in season I hope you reread that vegetable s chapter and make a plan for preserving all of the harvest in a variety of ways Of course I hope that some of our favorite preservation recipes become your family favorites too **Vinegar Revival Cookbook** Harry

Rosenblum,2017-08-01 The next frontier in fermenting and home brewing is vinegar the essential ingredient for enhancing your home cooking Just about everyone has at least one bottle of vinegar in the pantry but not many realize how much better the homemade kind tastes the flavor is incomparable And it s easy make all you need is a bottle of your favorite alcoholic beverage a starter or mother of vinegar and a few weeks of hands off time Vinegar Revival shows you how to use homemade or store bought vinegar made from apple cider beer wine fruit scraps herbs and more to great effect with more than 50 recipes Here are drinks and cocktails Strawberry Rhubarb Shrub Switchel and Mint Vinegar Julep pickles Cured Grapes and Pickled Whole Garlic sauces and vinaigrettes Roasted Hot Sauce and Miso Ginger Dressing mains and sides Saucy Piquant Pork Chops and Roasted Red Cabbage and dessert Vinegar Pie and Balsamic Ice Cream Whether you want to experiment

with home brewing or just add a little zing to your meals Vinegar Revival demystifies the process of making and tasting vinegar

Transnationalism and Migration in Global Korea Joanne Miyang Cho, Lee M. Roberts, Sang Hwan Seong, 2023-11-17 Contrary to the image of Korea as a largely self contained country until its economy became global during the 1990s this book shows that transnationalism has firmly been part of modern Korea's national experience throughout its existence The volume portrays Korea's frequent transnational entanglements with other nations in East Asia and the West from the start of its annexation into the Empire of Japan in 1910 to the present day It

explores how modern Korea negotiated its complicated colonial relations with imperial Japan and its political and economic relations with the West in meeting the challenges of the globalized world Early chapters cover the origins of Korea s democratic republicanism among Korean immigrants in the United States the Royal Dutch oil industry in Korea and prisons in the Japanese empire From the latter half of the twentieth century to the present the book probes Cold War politics between Korea and Europe transnational Korean communities in China Japan the Russian Far East and the West and ethnic Korean returnees from the Russian Far East With contributions from leading international scholars this collection s attention to modern Korean history economy gender studies and migration is ideal for upper level undergraduates and postgraduates
