**Book Of The Zodiac: You And Your Star** Cheiro,2005-03 The book sets out not only the basic meaning of each month as handed down to mankind by the observations of astrologers from far distant ages to the present day but also the meaning ascribed to each day of the year from the influence of planets according to the Chaldean Numerology verified by the author s own long experience together with the climacteric years in each person s life as set out in the book This is the first time that such

combinations have ever been given to the world in an attempt to make what may be called Zodiac Astrology of assistance to the masses who have not the time or the inclination to go into mathematical calculations that would be necessary in working out any other astrological system

**Capricorn Ascendant Secrets** Saket Shah,2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move so the entire zodiac can be observed in a span of 24 hours, day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional, and spiritual attributes more with rising sign at times

*Falling for the Quarterback* Sapphire Knight,2025-10-28 A random encounter in the lumber store with a mountain man had me none the wiser. Neither did a sketchy parking lot and an unplanned rescue. I was oblivious to the gorgeous muscular man's true identity when we met. He was already younger than me, not to mention I wasn't looking for love. Or anyone for that matter. I was searching for hanging hooks in the nail aisle, nothing more. I certainly wasn't looking to be saved or asked to dinner. Yet I went anyway. Much to my dismay, he was everything I've always wished for, no matter how many times I told my younger self no such man existed. So when I find out he's a professional football player and our story's all over the news, I'm ready to run in the opposite direction. He's persistent. I'll give him that. Charming, too. He's also JJ, freaking Camdon, super famous quarterback for the Dallas Patriots. And after leaving one nightmare marriage in my past, I definitely don't want another. I've learned what falling in love can cost me, and I'm guarding my heart. Wall Street Journal, USA Today Bestselling Author Sapphire Knight brings you a new standalone sports romance. *Falling for the Quarterback* is a reverse age gap, golden retriever football hero, divorcee, single mom, not looking for love romance novel

**RASIMALA HANDBOOK Understanding Your Vedic Birth Sign** SWAMI RAM CHARRAN,2011-12-21 Vedic Astrology analyzes your life by looking at three major astronomical factors that have a major effect on the individual: they are the Moon Birth Sign, the Star Constellation Birth Sign, and the Name Sound Vibration at the time of birth, or the Rasi Nakshatra and the Charran respectively. The word Mala refers to a circle representing the garland of the universe around which all planets and astronomical objects orbit. The Rasimala would be the circle or garland of Zodiac Signs starting from Aries to Taurus, as occupied by the Moon degree position. The Nakshatra Mala is about circle of star constellations as given by the Moon positions. The Charran Mala is the circle of vibrations in the universe as given by the 27 constellations in the universe. The latter decides the name or frequency identification of the person. Usually, this sound would begin the person's name that he is to be called for the rest of his life. All three books provide
