## **Gideons Spies The Inside Story Of Israels Legendary Secret Service:**

*Gideon's Spies* Gordon Thomas, 2001      **Gideon's Spies** Gordon Thomas, 2000 First published in 1999 this gripping account of Israel's secret intelligence service has been updated to include the mysterious events surrounding the 1992 El Al jet crash in Amsterdam the tracking down of Kurdish leader Ocalan and more details on Mossad's involvement in the crash which killed Princess Diana and Dodi Fayed      **Gideon's Spies** Gordon Thomas, 2013-02-18 Created in 1951 to ensure an embattled Israel's future the Mossad has been responsible for the most audacious and thrilling feats of espionage counterterrorism and assassination ever ventured *Gideon's Spies* has been created from closed door interviews with Mossad agents informants and spymasters and drawing from classified documents and top secret sources revealing previously untold truths about the Israeli intelligence agency Bang up to date this new paperback edition of this best selling book includes startling new information on subjects ranging from Weapons of Mass Destruction international terrorism North Korea's bird flu war games and ethnic bombs The riveting text is supported by glossaries appendices and shows a Mossad as it has historically been brilliant ruthless flawed but ultimately fascinating      *Rough Guide to Conspiracy Theories, The (3rd)* James McConnachie, Robin Tudge, 2013-02-01 Fully revised and updated The Rough Guide to Conspiracy Theories sorts the myths from the realities the allegations from the explanations and the paranoid from the probable Who might be trying to convince us that climate change is or isn't real What is the truth behind the death of Osama bin Laden and is he still alive When did the CIA start experimenting with mind control Where is the HAARP installation and did it have anything to do with the Japanese tsunami disaster Why is surveillance in our cities and online so widespread and what are the real benefits This definitive guide to the world's most controversial conspiracies wanders through a maze of sinister secrets suspicious cover ups hidden agendas and clandestine operations to explore all these questions and many many more Now available in PDF format      **ISRAEL'S DIVINE MISSION AGAINST IRAN: How Meticulously Israel Plans To Break Iran's Ayatollah's Neck** Aaron Bernstein, Benjamin Netanyahu Israel's longest serving prime minister emerged from the ashes of the October 7 Hamas massacre with a singular unyielding vision to reshape the Middle East's geopolitical landscape by eradicating the Iranian axis of terror and ensuring Israel's unchallenged security dominance The catastrophic intelligence and military failures of that day which saw over 1 200 Israelis slaughtered and hundreds taken hostage became a catalyst for Netanyahu to recalibrate his strategy pivoting from containment to annihilation of threats Central to his post October 7 doctrine is the belief that Israel cannot coexist with a nuclear capable Iran or its proxies Hezbollah Hamas and the Houthis and that the Jewish state must act unilaterally if necessary to dismantle Tehran's ring of fire Netanyahu's plan hinges on a three pronged approach decimating Hamas in Gaza to restore deterrence forging unprecedented regional alliances with Sunni Arab states under the banner of countering Iran and preparing for a potential preemptive strike against Iran's nuclear infrastructure His government has accelerated defense partnerships including integrating a U S led Middle East NATO style air defense

network into Israel's defense structure and expanding covert operations targeting Iranian nuclear scientists missile engineers and Revolutionary Guard commanders Netanyahu's historical obsession with Iran from his 2012 UN speech brandishing a cartoon bomb to his vehement opposition to the 2015 JCPOA nuclear deal has crystallized into an existential imperative Post October 7 he frames Iran not merely as a sponsor of terrorism but as the architect of a genocidal coalition leveraging proxies to encircle Israel while advancing toward weapons grade uranium enrichment To fracture this axis Israel has intensified shadow war tactics cyberattacks crippling Iranian fuel stations and nuclear facilities drone strikes on IRGC convoys in Syria and assassinations like the 2023 takedown of Seyed Razi Mousavi a senior IRGC logistical intermediary in Damascus Netanyahu's ultimate objective however transcends tactical victories He seeks to realign the region by normalizing ties with Saudi Arabia a process frozen on October 7 but quietly revived through U.S. brokered talks conditioned on Riyadh joining an anti Iran coalition and accepting Israeli military supremacy Fordow's mountain shielded centrifuges and Natanz's fortified halls would require a complex aerial campaign likely involving hundreds of sorties mid air refueling and bunker buster bombs to penetrate granite and concrete Yet Netanyahu emboldened by Israel's growing self reliance in defense tech and Mossad's global reach appears undeterred His rhetoric echoes Menachem Begin's 1981 Osirak strike framing preemption as a moral duty Domestically he leverages the trauma of October 7 to silence opposition portraying critics as naive to Iran's apocalyptic ambitions Internationally he capitalizes on Arab states fatigue with Tehran's destabilization from Houthis Red Sea attacks to Iraqi militia rocket barrages to position Israel as the region's indispensable guardian Netanyahu's endgame is clear a Middle East where Iran's nuclear program lies in ruins its proxies disarmed and Sunni states integrated into an Israeli led security architecture But his legacy and Israel's survival hinge on eliminating the Iranian threat Until then he warns the October 7 horrors will repeat metastasizing into a nuclear nightmare Whether through diplomacy sabotage or war Netanyahu's unfinished revolution seeks to ensure that Iran's empire of terror never darkens the region again

Reconstructing a Shattered Egyptian Army Youssef Aboul-Enein, 2014-06-15 Central to CDR Youssef Aboul Enein's career has been the mission to introduce America's military leaders to Arabic works of military significance Just like American military leaders who had an obsession for all things Russian during the Cold War in order to understand the Soviets the war on al Qaida and the complex nuances of the Arab Spring demand a deeper comprehension of the Middle East from direct sources The memoirs of General Mohamed Fawzi Egyptian War Minister from 1967 to 1971 were first published in 1984 but his work has not been translated and remains undiscovered by English speaking readers Many in the United States Armed Services have yet to be introduced to his ideas perspectives and the seeds by which the 1973 Yom Kippur War were laid In this new contribution to his series of essays written for Infantry Journal Aboul Enein has determined to bring to life the military thoughts of this Arab War Minister This book is a joint Infantry Naval Institute Press project that has condensed the entire collection of essays on Fawzi to a single volume to provide future generations of America's military

leaders with access his ideas Fawzi is unique among Arab generals for his scathing critique of his own armed forces and from his critical examination of what went wrong in 1967 he was able to slowly resurrect the Egyptian Armed Forces to a level that enabled Sadat to consider an offensive in 1973 This Egyptian general will provide insights into the level of Soviet cooperation and military aid provided Egypt after the 1967 Six Day War known simply in Arabic by one word al Naksah the setback not to be confused with the 1948 Arab Israeli War known by one word al Nakbah the catastrophe While Fawzi lapses into conspiracy indulges in wishful thinking and employs the language of pan Arabism on occasion much like Soviet military theorists couched their ideas in Marxist Leninist rhetoric this will not stop serious American students of war from recognizing his brilliance about the lessons learned from the crushing defeat of Egyptian arms in the 1967 Six Day War

**Apartheid Guns and Money** Hennie van Vuuren, 2019-03-01 In its last decades the apartheid regime was confronted with an existential threat While internal resistance to the last whites only government grew mandatory international sanctions prohibited sales of strategic goods and arms to South Africa To counter this a global covert network of nearly fifty countries was built In complete secrecy allies in corporations banks governments and intelligence agencies across the world helped illegally supply guns and move cash in one of history s biggest money laundering schemes Whistleblowers were assassinated and ordinary people suffered Weaving together archival material interviews and newly declassified documents *Apartheid Guns and Money* exposes some of the darkest secrets of apartheid s economic crimes their murderous consequences and those who profited heads of state arms dealers aristocrats bankers spies journalists and secret lobbyists These revelations and the difficult questions they pose will both allow and force the new South Africa to confront its past

Eisenberg,Uri Dan,Eli Landau,1979-10-01 This is a history of the exploits in which Israel's secret intelligence organization has been involved since its inception in 1951 **Every Spy A Prince: The Complete History of Israel's Intelligence**

**Community** Dan Raviv,Yossi Melman,2024-01-15 On the New York Times Best Seller list for 12 weeks August 12 October 28 1990 This is a comprehensive history of Israel's security establishment The authors celebrate successes like Eichmann's capture but far more interestingly they do not shy away from examining the security services failures the book is riveting because Israel's early intelligence feats still resonate in today's world the book makes valuable reading for anyone interested in Israel's world wide plans to deal with matters affecting its security Wall Street Journal The authors obviously found enough talkative sources to provide them with the remarkable case histories they describe here Even though some of the Israeli operatives sound boastful the book is not propaganda or disinformation While it is filled with many examples of how Mossad pulled off major coups the authors are at pains to point out that the Israelis sometimes goofed The authors flesh out stories that once made headlines with fresh material Not all the Israeli intelligence triumphs involved violence The Israelis managed to outrun the C I A and all of Western Europe's spy agencies in getting their hands on a copy of Nikita S Khrushchev's secret speech in 1956 to a special Communist Party Congress in Moscow that exposed the horrors of the Stalin era The story of the 1960 capture in Buenos Aires of Adolf Eichmann the Nazi war criminal by Mossad and Shin Bet Israel's internal security agency is lovingly re-created A high point of Israeli intelligence came in 1967 during the Six Day War when foreknowledge of enemy positions and abilities paved the way for a rapid victory The astonishing rescue in 1976 by army commandos of hijacked passengers from Entebbe airport in distant Uganda gained added respect for Israel in the Western

world Against the triumphs the authors balance these failures Mossad's misjudgments in Lebanon Shin Bet's killings of Arab terrorists in captivity and the involvement of Israel in the disarray of Irangate In addition double agents were used in Britain and caught there an American Jonathan Pollard was encouraged to spy and sell military secrets to Israel and faulty intelligence resulted in misleading the Government over the future of the occupied territories just as a Palestinian uprising was beginning a highly revealing book New York Times Everything you wanted to know about Israel's spies and secret services but were afraid to discover This comprehensive history and analysis of the Israeli intelligence community offers many original insights into the secret psyche of the Jewish State The book presents new information on some of Israel's greatest intelligence coups and failures Kirkus Basing their work on interviews with former operatives and on declassified documents CBS news correspondent Raviv and Israeli journalist Melman here produced a revealing critical history of the rise and decline of Israel's vaunted security and intelligence arm Publishers Weekly A detailed history of Israel's intelligence agencies Washington Post Every Spy a Prince is by far the best book ever published on Israel's intelligence community filled with new and fascinating information skillfully and intelligently written and above all bold and judicious in its assessments of the triumphs and failures of one of the most remarkable espionage organizations in the world San Francisco Chronicle A highly readable well organized portrait of the main Israeli intelligence services Every Spy a Prince is a valuable balanced addition to the mushrooming literature about the world's second oldest profession Newsday *Spies in the Promised Land: Isser Harel and the Israeli Secret Service* Michael Bar-Zohar, 2024-02-13 For 15 years the name of Isser Harel the man in charge of all the intelligence branches of Israel was top secret in Israel Even when he resigned from office in March 1963 his name and picture remained undisclosed Only in 1965 when he was appointed special adviser on intelligence and security to Prime Minister Levi Eshkol were his name and picture revealed But most of his past feats were still kept secret even when stories about underground activities the capture of a spy or a mission abroad were disclosed Alan Dulles head of the CIA declared at the time the Israeli services are the best in the world For what operations did the Israeli services deserve such credit What was their modus operandi How had they been established and developed How did they conceive rules of ethics and morality These questions and many more are answered in this book which reveals the life story and operations of Isser Harel whom David Ben Gurion called the guardian of Israel's secrets and honor **The Mossad Inside Stories** Dennis Eisenberg, Uri Dan, Eli Landau, 1979 **The Mossad** Dennis Eisenberg, Uri Dan, Eli Landau, 1979-01-01 *Spies Against Armageddon* Dan Raviv, Yossi Melman, 2012 A powerful history of Israel's intelligence community from 1948 to the crises of today Stopping Iran's nuclear program involves sabotage assassination intimidation and deception The book tells the story never told before of Kidon the super secret operations unit that is like a Mossad within the Mossad **Every Spy a Prince**, 1990 **The Israeli Secret Service** Richard Deacon, 1977 This book tells of the achievements the fierce controversies and the tales of individual initiative in the Israeli Secret Service including the hunting down of the Nazi war criminals who
