Nolo's Essential Guide to Buying Your First Home Ilona Bray, Ann O'Connell, 2022-12-27 There's no place like home. Ready to say goodbye to your landlord? With help from Nolo's Essential Guide to Buying Your First Home, you'll not only find the right house for you, you'll have fun doing it. Learn how to research the local market and listings, choose a house, condo, co-op, or townhouse, create a realistic budget, qualify for a loan you can truly afford, borrow a down payment from friends or family, protect yourself with inspections and insurance, and negotiate and close the deal successfully. You'll find insights from numerous real estate professionals: agents, attorneys, mortgage specialists, a home inspector, and more. It's like having a team of experts by your side. Plus, read real-life stories of over 20 first-time homebuyers. **Healthy and Sustainable**

Fundraising Activities Jenine M. De Marzo, Anne Gibbone, Greg Letter, Catherine Klein, 2012-05-07 For most schools and organizations, fundraisers bridge the gap between budgets and the money they need in order to operate. Despite the continued rise in childhood and adult obesity and increased attention to humankind's ecological impact, many fundraisers still rely on the sale of high-calorie, low-nutrient foods or ask supporters to become consumers of incidental items and paper products to support the cause. **Healthy and Sustainable Fundraising Activities** offers innovative and thoughtful options that raise money for your cause without contradicting the physical activity, health, and ecological messages emphasized in your school or organization. In contrast to traditional fundraisers involving food and incidental products, the ideas in **Healthy and Sustainable Fundraising Activities** encourage personal, community, and environmental health and reinforce the health and social responsibility initiatives in place in your school or organization. With **Healthy and Sustainable Fundraising Activities**, you'll learn how to involve not just your school or organization but the entire community in health-promoting, environmentally friendly activities. With **Healthy and Sustainable Fundraising Activities**, you'll find a range of ideas from ink cartridge recycling to a dance competition and a unique approach to fundraising sure to energize your students, members, and community to meet and exceed your fundraising goals. For educators, each of the activities outlined in the text is based on National Health Education Standards (NHES) and National Association for Sport and Physical Education (NASPE) standards and 21st-century learning outcomes, making this text a great resource for incorporating the health and wellness initiatives of your school into the fundraising plans for your class, club, sport team, or organization. Activities in the book are grouped according to the level of knowledge, skills, and abilities required for organizing and conducting them. Most activities use similar or commonly used resources often available in a school or organizational setting. You'll find clear and complete explanations in a standard lesson plan format along with the tools and information you need in order to implement each idea. With background information on various types of fundraisers, how these types are categorized, and guidance on scheduling, implementing, and communication, you'll have a full picture of what it takes to complete each event. Get your members and community involved in a project that not only raises money but also gives children exposure to important values such as lifelong wellness, hard
