For example, one that studied sports or physical therapy will have to know everything about the body and its internal mechanisms in order to determine the best course of action in the case of injuries of any kind or accidents. It is not just doctors that need to know such things and in an ever-increasing world of initiative and capitalism, self-education can prove very helpful in moving on to new career options or simply knowing what to do in an emergency situation. **Skeletal System (Speedy Study Guides)** Speedy Publishing, 2014-06-21 The skeletal system is the bone structure within our bodies which support the muscle and soft tissue which make up our bodies. The skeletal system provides our body with strength and stability and enables us to engage in day to day functions such as walking, running, and jumping. A chart would help one to understand where key bones are located in the human body. **Skeletal System (Speedy Study Guide)** Speedy Publishing LLC, 2014-06-08 The skeletal system is the bone structure within our bodies which support the muscle and soft tissue which make up our bodies.
