PMI-PBA® Exam Practice Test and Study Guide
Brian Williamson, 2017-11-07

The PMI PBA Exam Practice Test and Study Guide attempts to address all your questions and concerns by providing two of the most sought-after study aids: memory maps and practice questions. The systematic use of memory maps helps aid in the efficient recall of information and can boost confidence during the exam. Well-crafted practice questions are fantastic study aids that can be used to track your progress as you learn new concepts. Introduce you to the complex sentence structure that is likely to appear on the exam and concentrate your studies by domain, essentially preparing you to pass the very challenging PMI PBA Exam in the allotted four hours. In addition to study hints and exam topics, this book provides references to tools and techniques that should be incorporated into your work immediately. For each of the five domains outlined in the PMI Professional in Business Analysis PMI PBA Examination Content Outline 2013, the ECO, twenty practice questions test your knowledge. Also included is a challenging 200-question practice exam which is representative of the actual exam. To enhance your studies, a timed online simulated exam is also provided. At the end of the simulated exam, you can see your score per the number of questions you answered correctly. These exam questions are crafted to foster learning and reinforce content; they are not obscure or overly complicated but rather are representative of the actual exam. Knowing what to do must be translated into doing what you know. This book helps you prepare for the PMI PBA exam by instilling knowledge and encouraging critical thinking. As a result, the skills attained can lead to improved project success and outcomes, and you'll have a much stronger understanding of the material along with the tools and techniques of business analysis. PMI PBA is a registered trademark of the Project Management Institute.
