

It is very agreeable to pay an annual holiday visit to Paris—especially when it involves a great many visits to your experienced and skilful dentist.

It is very agreeable to meet some one in the streets in the evening, of whom you can ask your way; especially if that some one should present the appearance depicted above.

It is very agreeable to have a duck "bred on his own farm" sent to you by your dear provincial friend; especially when sent by express train at an expense of 17 francs, which you have to pay.

"Monsieur, what difference is there between your chocolate, and the Chocolate Menier?"
 "Oh, Monsieur, there's a great difference."
 "And what is this difference, may I ask?"
 "Monsieur, ours is much *dearer*."
