New legislation, the ongoing modernization of company practices and drastic changes in the workplace have led to a slew of new challenges for HR professionals. *Forms Used in Human Resources* tackles these challenges head on. It is fully revised with up to date forms for areas such as domestic partnership, the ethical use of computer software and requests for translation services. *Forms Used in Human Resources* is for anyone faced with the difficult task of creating or redesigning human resources forms. It features contributions from over 55 U.S. and Canadian companies and includes 350 commonly used HR forms. It can be used as a source to create new forms or as a standard for evaluating your company's current forms with those used by others.
