The Sugar Frosted Nutsack Mark Leyner,2012-03-26

From the bestselling and wildly imaginative novelist Mark Leyner a romp through the excesses and exploits of gods and mortals High above the bustling streets of Dubai in the world s tallest and most luxurious skyscraper reside the gods and goddesses of the modern world Since they emerged 14 billion years ago from a bus blaring a tune remarkably similar to the Mister Softee jingle they ve wreaked mischief and havoc on mankind Unable to control their jealousies the gods have splintered into several factions led by the immortal enemies XOXO Shanice La Felina

Fast Cooking Ali and Mogul

Magoo Ike Karton an unemployed butcher from New Jersey is their current obsession

Ritualistically recited by a cast of drug addled bards

The Sugar Frosted Nutsack is Ike s epic story

A raucous tale of gods and men confronting lust ambition death and the eternal verities it is a wildly fun wickedly fast gambol through the unmapped corridors of the imagination

Ernest Haycox: Collected Works Ernest Haycox,2023-12-28

Ernest Haycox Collected Works is a

compendium that showcases the literary prowess of one of the 20th century's most distinguished Western writers. Renowned for his vivid prose and intricate characterizations, Haycox's works explore themes of frontier life, moral complexities, and the human condition against the backdrop of the American West. His stories encapsulate the rugged individualism and societal struggles of his time, reflecting a transitional period in American literature where traditional narratives began to embrace broader existential inquiries. This collection not only highlights his narrative skill but also situates Haycox within the context of American literary modernism, offering readers a nuanced perspective of his thematic depth. Ernest Haycox, a prolific writer born in 1899, was deeply influenced by the landscapes of the West and the legacies of pioneers and outlaws. His formative years spent in Oregon imbued him with an understanding of the Western frontier's complexities and the characters that inhabit it, informing his storytelling. Furthermore, his experience as a journalist and his encounters with various social issues of the early 20th century allowed him to weave authentic narratives that resonate with historical significance and emotional weight. This collected works anthology is a must-read for those interested in American literature and Western fiction. It not only offers an extensive look at Haycox's contributions to the genre but also serves as a lens through which to examine the evolution of American narrative forms. Readers will find themselves transported into richly crafted worlds, making it an indispensable addition to any literary collection.

If You Seduce a Straight Person, Can You Make Them Gay? John Dececco, PhD, John Patrick Elia, 2014-05-01. The debate on whether or not people are born homosexual, biological essentialist theory, or become homosexual during the course of their lives, social constructionist theory continues as each side claims to prove the truth through research and clinical findings. This breakthrough book shows the fissures in concepts of the gay and lesbian identity and the one-sidedness of both biological essentialist and social constructionist versions of both sexual and gender identity. The editors present an alternative view: sexual and gender expression is a product of complementary biological, personal, and cultural influences. In *If You Seduce a Straight Person Can You Make Them Gay*, through theoretical analysis, ethnographic and empirical data, and case studies, the editors show how the one-sidedness of both biological essentialist and social constructionist versions of sexual and gender identity make it difficult, if not impossible, to conceptually determine the origin of an individual's sexual expression. This thought-provoking book covers many topics that are sure to cause readers to re-evaluate their thinking about the origins of gay and lesbian identity. Among the topics examined with this fresh perspective are Childhood Cross Gender Behavior and Adult Homosexuality; Gay and Lesbian Teachers and Coming Out; Homosexuality, Marriage, Fidelity, and the Gay Community; Case of Gay Husbands; Can Seduction Make Straight Men Gay; Gay and Lesbian Identities in Non-industrialized Societies: Surinam, Dutch New Guinea, Turkey, Nicaragua, and Argentina; Political, Economic Construction of Gay Male Identities. Readers will clearly see that the controversy over the being born gay or becoming gay debate is far from resolved. From the beginning, the book explores how human beings are less constrained by biology than many would like to believe. Social circumstances and economics cause some determination of identity, but not

exclusively Theoretical introductions to each chapter attempt to synthesize elements on both sides of this most contemporary debate

Gays on Broadway Ethan Mordden, 2023-05-01 A fascinating look at the gay and lesbian influence on the American stage by an internationally recognized authority on the topic From the genteel female impersonators of the 1910s to the raucous drag queens of La Cage Aux Folles from the men of The Normal Heart to the women of Fun Home and from Eva Le Gallienne and Tallulah Bankhead to Tennessee Williams and Nathan Lane Gays On Broadway deftly chronicles the plays and people that brought gay culture to Broadway Writing with his customary verve and wit author Ethan Mordden follows the steady liberation of gay themes on the American stage The story begins in the early twentieth century when gay characters were virtually banned from productions The 1920s saw a flurry of plays closed on moral grounds as well as the Wales Padlock Act which forbade representation of sex degeneracy While authorities made consistent attempts to shutter the movement the public remained curious and after a few decades of war making a truce broke out when The Boys In the Band became a national smash hit From this point on gay theatre proved simply too popular to abolish With this change theatre was graced with a host of unforgettable characters from thrill killers to historical figures to drag performers as well as professional gays such as the defiantly effeminate window dresser in Kiss of the Spider Woman closeted gays and those run of the mill citizens who don't reside entirely within the colorful nonconformist identity such as the two male lovers in the dinner theatre comedy Norman Is That You Spoken plays and musicals playwrights directors and actors all played their part in popularizing the gay movement through art Gays on Broadway is an essential chronological review of the long journey to bring the culture of gay men and women onto the American stage

Understanding Gay and Lesbian Youth David Campos, 2005-09-28 Understanding Gay and Lesbian Youth assists the classroom teacher school counselor and administrator in relating to gay and lesbian youth and creating accepting and supportive learning climates David Campos begins with a discussion of the current state of affairs regarding gay and lesbian youth in schools including a discourse on the developmental milestones and provides practical strategies for working effectively with these students The text concise yet comprehensive features Two surveys to assess school climates toward gay and lesbian youth Quizzes about gay and lesbian issues Personal stories by gay and lesbian youth and adults Perhaps the most salient feature of Understanding Gay and Lesbian Youth is that each chapter poses a series of questions relating to today's society such as Why are gay and lesbian youth considered at risk How does the development of gay and lesbian youth differ from that of heterosexual youth What do I do if a student tells me he or she is gay or lesbian

The writings of Douglas Jerrold. Collected ed Douglas William Jerrold, 1852

Homophobia Warren Blumenfeld, 1992-06-13 The hatred of lesbians gay males and bisexuals remains an acceptable prejudice in our society despite the widespread damage it causes in all of our lives Inviting sexual minorities and heterosexual men and women to become allies in the fight against homophobia the contributors to this anthology explore how homophobia colludes with sexism by forcing people into rigid gender roles how homophobia causes unnecessary pain

and alienation in family relationships how it works against health care policy and arts administration that would benefit all members of society and how homophobia leaves the policies of religious institutions unfulfilled In both personal and analytical essays the contributors show how the fight to end homophobia is everyone's fight if we are to bring about a less oppressive and more productive society They offer concrete suggestions on transforming attitudes behaviors and institutions Your Life Experiences with Rah Rahul K Maharaj,2022-08-02 My biggest advice to people especially those who fall into today's mental challenges and feel they can't move forward is never give up Anything worth fighting for takes time commitment and a lot of positive thoughts Don't ever think you can't instead always say to yourself I can I shall and I will Say to yourself I want this I need to work at this I need to climb the ladder and when I get worth all the struggles tears and sweat all the hard work then when you make it you will turn and advise others with your story saying the same words never give up fight for your dreams Rahul K Maharaj

Collected Works William Henry Hudson,1923 Jet ,1984-04-23 The weekly source of African American political and entertainment news *Crossing Sexual Boundaries* J. Ari Kane-Demaio,2010-12-31 Transgender has become a convenient umbrella term to cover a collectivity of individuals including cross dressers transvestites transsexuals and intersexuals who do not conform to traditional norms of gender identity or behavior Until recent centuries transgender behavior has rarely been the subject of scholarly or public attention During the 20th century medical advances in hormone therapy and reconstructive surgery the worldwide publicity generated by the Christine Jorgensen story in the 1950s and the popularity of such plays and movies as *La Cage Aux Folles* and *The Birdcage* make the subject much more visible for society This book is a compilation of autobiographies of women and men who openly describe their different and often very difficult journeys frankly Using a decade by decade format the contributors provide the reader with critical insights into the process of realization that led to their various gender expressions The contributors include homosexuals heterosexuals and bisexuals and their life stories make clear that a good deal of diversity exists within the gender community A thorough introduction by the editors provides many insights into gender issues from a biological socio anthropological and historical perspective **Bibliotheca Lindesiana** James Ludovic Lindsay Earl of Crawford,1890
