for the 250 360 and 400cc single cylinder Motocross Enduro and Sportsman models from 1965 through the 1969 MG series
However as both the 250cc and 400cc models remained in production through 1975 as the MH 1970 MI 1971 MJ 1972 and
MK 1973 1975 series the original Clymer manual provided coverage beyond its publication date and effectively included

been expanded to include the 1972 and later 125cc and 450cc MJ and MK series Models covered by engine size year of

you to exercise caution when purchasing technical publications for your classic motorcycle or automobile as many of the
reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea
what they are selling Many are nothing more than poor quality digital or comb bound photocopies that are scanned or
printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even
refurbished In addition they are often advertised for the incorrect series and or model years However VelocePress com has
been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent
reviews worldwide so you can be assured you are purchasing a quality product *Kawasaki Bayou 220/300 & Prairie 300*
