The story of the Algebra program at JEB Stuart High School in Fairfax Virginia qualifies for such a designation Over a period  
of fifteen years a series of ambitious no cost innovations which challenged the prevailing status quo in math education led to  
a set of academic accomplishments that were indeed improbable and extraordinary This miracle was achieved by a high  
poverty ethnically diverse student body that was unique at the time but is now representative of schools found throughout  
the U S For everyone touched by education from parents and students to teachers and administrators The Algebra Miracle  
will provide insights into the complexity of finding a low cost formula for academic success in the tight budgetary times of the  
21st century This story serves as a model of what can be accomplished when a dedicated school staff commits its time energy  
and creativity to the needs of their students
