Geometry in Architecture Clovis Heimsath, Maryann Heimsath, Lisa Hardaway, 2002-07-15 Geometry in Architecture a revised edition of Pioneer Texas Buildings juxtaposes the historic structures with works by twenty contemporary architects who are inspired by the pioneer tradition to show how seamlessly the basic geometries translate from one era to another As in the earlier book sketches and brief commentary by Clovis Heimsath explain how squares triangles and circles take shape in the cylindrical forms that comprise houses and other buildings Then black and white photographs the heart of the book illustrate these geometric forms in historic and modern buildings **BOOK JACKET**

Geometry in Architecture Clovis Heimsath, 2010-07-05 Pioneer Texas Buildings opened people's eyes when it was first published in 1968 At a time when progress meant tearing down the weathered houses barns churches and stores built by the original settlers of Central Texas this book taught people to see the beauty simplicity and order expressed in the unadorned geometric forms of early Texas buildings It inspired the preservation and restoration of many of the remaining pioneer buildings as well as the design of modern buildings that employ the same simple geometries This revised edition of Pioneer Texas Buildings juxtaposes the historic structures with works by twenty contemporary architects who are inspired by the pioneer tradition to show how seamlessly the basic geometries translate from one era to another As in the first edition sketches and brief commentary by Clovis Heimsath explain how squares triangles and circles take shape in the cubic triangular and cylindrical forms that comprise houses and other buildings Then black and white photographs the heart of the book illustrate these geometric forms in historic and modern buildings The book also includes two essays in which Heimsath discusses the factors that led him and his wife Maryann to document early Texas buildings and the results in historic preservation and timeless architectural designs that have followed from their efforts **Cite**, 2002 **Annual Meeting** Texas State Historical Association, 2002 A program of the annual meeting **Home, Heat, Money, God** Kathryn E.
