Using the Engineering Literature Bonnie A. Osif, 2016-04-19 With the encroachment of the Internet into nearly all aspects of work and life it seems as though information is everywhere However there is information and then there is correct appropriate and timely information While we might love being able to turn to Wikipedia for encyclopedia like information or search Google for the thousands of links **Soil Mechanics and Foundation Engineering** P. Purushothama Raj, 2008 Soil Mechanics Foundation Engineering deals with its principles in an elegant yet simplified manner in this text It presents all the material required for a firm background in the subject reinforcing theoretical aspects with sound practical applications The study of soil behaviour is made lucid through precise treatment of the factors that influence it **Geotechnical Engineering Investigation Handbook** Roy E. Hunt, 2005-04-12 The Geotechnical Engineering Investigation Handbook provides the tools necessary for fusing geological characterization and investigation with critical analysis for obtaining engineering design criteria The second edition updates this pioneering reference for the 21st century including developments

that have occurred in the two
