Indiscretion English Edition:

Indiscretions Patricia Mellencamp, 1990-09-22 Indiscretions follows the path of U S avant garde film and video from the underground of the 1960s to the academy of the 1980s Patricia Mellencamp traces and charts the intersections of Lacanian psychoanalysis and the desiring male subject Roland Barthes and texts of pleasure Michel Foucault and the disciplinary society the grotesque body and Mikhail Bakhtin the rhizomatic alogic of Gilles Deleuze and Felix Guattari and the female subject of feminist film theory She creates a dialogue among theory and popular culture and politics through inventive readings of the films of Owen Land Hollis Frampton Ken Jacobs Bruce Conner Robert Nelson Michael Snow Yvonne Rainer and Sally Potter and videotapes by Ant Farm TVTV Michael Smith William Wegman and Cecelia Condit **Classical**

Indiscretions Maurizio Bettini, 2001-08-23 Rooted in the Classics but ranging over the whole of Western literary culture this book addresses many of the major issues that face us at the turn of the millennium What is our shared cultural currency What use do we make of it Why should anyone involve themselves with the Classics *Bookseller and Print Dealers Weekly*, 1929

Thomas Hardy Thomas Hardy, 1992 Included in this edition are ten stories varying in length from sketch to novella which were never collected into volumes during Hardy's lifetime Some contained references to actual people or plot elements that he reused elsewhere others such as his only stories for children were simply too different from his other work in the short story form the longest An Indiscretion in the Life of an Heiress was apparently left uncollected to allow for a possible reconstruction of the lost novel The Poor Man and the Lady from which it was drawn The three final stories resulted from literary collaborations which were also emotional involvements with Florence Henniker in *The Spectre of the Real* and with Florence Dugdale later the second Mrs Hardy in *Blue Jimmy The Horse Stealer* and *The Unconquerable* now published for the first time Although all of these stories occupy significant positions within Hardy's career as a writer of fiction extending that career indeed both earlier and later than the standard account would allow none of them has previously received serious editorial treatment For the most part they have also been ignored or lightly passed over by critics and biographers and such discussion as they have aroused has frequently been based on false assumptions This edition remedies some of these deficiencies in Hardy scholarship both in its historical introductions and in its critically edited texts which are based on full collations of all editions published before Hardy's death and all surviving manuscripts typescripts and proofs many of which have gone almost entirely unexamined in the past Complete lists of the variants in these pre publication witnesses and in all authorially authorized printings supplement the edited texts *The Gnostic Jung and the Seven*

Sermons to the Dead Stephan A Hoeller, 2012-12-13 Jungian psychology based on a little known treatise he authored in his earlier years *Catalogue of First and Other Editions of the Writings of Samuel Langhorne Clemens and of Lafcadio Hearn, the Property of the Tomlinson-Humes Company and Merle Johnson* Tomlinson-Humes Company, 1914 *Experiencing Stravinsky* Robin Maconie, 2013-02-28 Hear the name Igor Stravinsky and the first thing that comes to mind is a composer of

ponderous serious music But did you know that Stravinsky lived much of his life in Hollywood That he collaborated on musical projects with Pablo Picasso and George Balanchine That his work subtly espoused deeply held political views and reflected key literary influences That he was not only interested in the modern communication technologies of his time sound recording radio television even early computers but wrote music that echoed their impact In *Experiencing Stravinsky* music historian Robin Maconie takes a fresh approach to understanding this great composer s works explaining what makes Stravinsky s sound unique and what we as listeners need to know in order to appreciate the variety and brilliance of his compositions *Experiencing Stravinsky* is more than just another work of music appreciation In the author s deft hands Stravinsky s long musical career is a guided tour through 20th century history from Czarist Russia and two world wars to the height of the Hollywood era and the birth of the information age Maconie has provided nothing less than an operating manual to getting the most out of Stravinsky s music [A New Biographical Dictionary ... Second Edition, Corrected](#)

Stephen JONES (Freemason.),1802 [Poets, Players, and Preachers](#) Anne James,2016-08-12 On the night of November 4th 1605 the English authorities uncovered an alleged plot by a group of discontented Catholics to blow up the Houses of Parliament with the lords princes queen and king in attendance The failure of the plot is celebrated to this day and is known as Guy Fawkes Day In *Poets Players and Preachers* Anne James explores the literary responses to the discovery of the Gunpowder Plot in poetry drama and sermons This book is the first full length study of the literary repercussions of the conspiracy By analyzing the genres of poems plays and sermons produced between 1605 and 1688 the author argues that not only did the continuous reinterpretation of the conspiracy serve religious and political purposes but that such literary reinterpretations produced generic changes

Debussy's Legacy and the Construction of Reputation Marianne Wheeldon,2017-05-29 Today Claude Debussy s position as a central figure in twentieth century concert music is secure and scholarship has long taken for granted the enduring musical and aesthetic contributions of his compositions Yet this was not always the case Unknown to many concert goers and music scholars is the fact that for years after his death Debussy s musical aesthetic was perceived as outmoded decadent and even harmful for French music In *Debussy s Legacy and the Construction of Reputation* Marianne Wheeldon examines the vicissitudes of the composer s posthumous reception in the 1920s and 30s and analyzes the confluence of factors that helped to overturn the initial backlash against his music Rather than viewing Debussy s artistic greatness as the cause of his enduring legacy she considers it instead as an effect tracing the manifold processes that shaped how his music was received and how its aesthetic worth was consolidated Speaking to readers both within and beyond the domain of French music and culture Debussy s *Legacy and the Construction of Reputation* enters into dialogue with research in the sociology of reputation and commemoration examining the collective nature of the processes of artistic consecration By analyzing the cultural forces that came to bear on the formation of Debussy s legacy Wheeldon contributes to a greater understanding of the inter war period the cultural politics debates and

issues that confronted musicians in 1920s and 30s Paris and offers a musicological perspective on the subject of reputation building to date underrepresented in recent writings on reputation and commemoration in the humanities Debussy's Legacy and the Construction of Reputation is an important new study groundbreaking in its methodology and in its approach to musical influence and cultural consecration

Is Shylock Jewish? Sara Coodin, 2017-05-18 What happens when we consider Shakespeare's *The Merchant of Venice* as a play with real Jewish characters who are not mere ciphers for anti-Semitic Elizabethan stereotypes Is Shylock Jewish studies Shakespeare's extensive use of stories from the Hebrew Bible in *The Merchant of Venice* and argues that Shylock and his daughter Jessica draw on recognizably Jewish ways of engaging with those narratives throughout the play By examining the legacy of Jewish exegesis and cultural lore surrounding these biblical episodes this book traces the complexity and richness of Merchant's Jewish aspect spanning encounters with Jews and the Hebrew Bible in the early modern world as well as modern adaptations of Shakespeare's play on the Yiddish stage
