Chourou,Patricia Kameri-Mbote,P. H. Liotta,2008-01-23 Put quite simply the twin impacts of globalization and environmental
degradation pose new security dangers and concerns In this new work on global security thinking 91 authors from five
continents and many disciplines from science and practice assess the worldwide reassessment of the meaning of security
triggered by the end of the Cold War and globalization as well as the multifarious impacts of global environmental change in
the early 21st century All Hands ,1986 **Sacred Sites and Sacred Stories Across Cultures** David W.
Kim,2021-01-18 This book offers global perspectives from Mediterranean Asian Australian and American cultures on sacred
sites and their related stories in regional history Contemporary society witnesses many travelers visiting sacred sites temples
mountains castles churches houses throughout the world These visits often involve discovery of new historical facts through
the origin stories of the associated tribe region or nation The transmission of oral tradition and myth carries on the
significant meaning of those religious sites This volume unveils multi angle perspectives of symbolic and mystical places The
contributors describe the religio political experiences of each regional case and analyze the religiosity of local people as a
lens through which readers can re examine the concept of iconography syncretism and materialism In addition contributors
interpret the growth of new religions as the alternative perspectives of anti traditional religions This new approach offers
significant insight into comprehending the practical agony and sorrow of regional people in the context of contemporary
history
