**Hoosiers Through and Through** Terry Hutchens, 2014-11 583 basketball players from the state of Indiana have gone on to play basketball at Indiana University in more than 110 years of competition. Among the group are 26 players who won the coveted Mr Basketball award as high school seniors. Also included are 35 players who went on to become All Americans at IU and 10 who were Big Ten Most Valuable Players. In 2000 Indiana released its All Century team of the best players at IU in the previous 100 years. Nine of the players on that team were from the state of Indiana prior to playing at IU. All 583 of these players could be considered Hoosiers through and through. They grew up shooting baskets on hoops all across the state of Indiana and dreamed about someday playing for the state school. For these athletes that dream came true. This book will acknowledge all of them while focusing on the top 50 players all time in Indiana University lore that hailed from the Hoosier state.

**The Hoosier Hot Shots - And My Friend Gabe** Dick Stodghill, 2007-11 At the height of the Great Depression three fun loving young musicians from the flatlands of Central Indiana began broadcasting a fifteen minute daily radio show on WOWO in Fort Wayne. Veterans of the vaudeville circuits they performed without pay to promote local appearances for 15 per night. The show quickly drew a large following and this led to an opportunity to join the WLS National Barn Dance in Chicago. Their happy sometimes zany antics proved to be exactly what a Depression weary country needed. The line that began many of their songs "Are you ready Hezzie" became part of the American lexicon. The Hoosier Hot Shots went on to make hundreds of phonograph records appear in 22 movies and have their own nationwide radio show. This account of their boy makes good lives includes more than 80 photos illustrations letters written by one of the original Hot Shots movie highlights a discography and more.

**Hoosiers** James H. Madison, 2014-08-05 The story of this Midwestern state and its people past and present. An entertaining and fast read. Indianapolis Star. Who are the people called Hoosiers? What are their stories? Two centuries ago on the Indiana frontier they were settlers who created a way of life they passed to later generations. They came to value individual freedom and distrusted government even as they demanded that government remove Indians, sell them land and bring democracy. Down to the present Hoosiers have remained wary of government power and have taken care to guard their tax dollars and their personal independence. Yet the people of Indiana have always accommodated change exchanging log cabins and spinning wheels for railroads cities and factories in the nineteenth century automobiles suburbs and foreign investment in the twentieth. The present has brought new issues and challenges as Indiana's citizens respond to a rapidly changing world. James H. Madison's sparkling new history tells the stories of these Hoosiers offering an invigorating view of one of America's distinctive states and the long and fascinating journey of its people.

*At Home in the Hoosier Hills* Richard F. Nation, 2005-08-25 This book explores the lives and worldviews of Indiana's southern hill country residents during much of the 19th century. Focusing on local institutions, political, economic, and religious, it gives voice to the plain farmers of the region and reveals the world as they saw it. For them, faith in local institutions reflected a distrust of distant markets and politicians. Localism saw its expression in the Democratic Party's anti-federalist strain in economic practices such as safety first farming, which focused on taking care of the family first and in non-perfectionist Christianity. Localism was both a means of resisting changes and the basis of a worldview that helped Hoosiers of the hill country negotiate these changes.
