History Of Cyrus The Great:

CYRUS THE GREAT: The Conqueror Who Founded the First Persian Empire History Titans,2021-08-28 The Greeks called him Cyrus the Elder due to his magnanimous efforts to bring the Middle East together and establish a solid administration and bureaucracy To this day he still inspires us thanks to his tolerance and eloquent ruling He was a pioneer of human rights and laid out rules that spearheaded freedom and equality Cyrus was recognized as a polytheist who favored worshipping many gods at a time He turned from one god to another according to his agenda and circumstances He prayed to a god who could fulfill his desire and lead him to victory which was noted during his rule in Babylonia The former Babylonian ruler did not allow his people to worship their god and imposed hard labor making life unbearable for thousands but when Cyrus overtook the throne he allowed Babylonia s people to follow their religion and worship their god which increased their trust and admiration in Cyrus *The history of Cyrus, king of Persia, shewing the fulfilment of Scripture prophecy* Charles Rollin,1805 *History of Cyrus the Great* Jacob Abbott,2009-01-01 Abraham Lincoln raved that this series of historical biographies gave him just that knowledge of past men and events which I need I have read them with the greatest interest To them I am indebted for about all the historical knowledge I have Considered what we would now call young adult literature this collection first published between 1848 and 1871 was designed to present a clear distinct connected narrative of the lives of the great figures of world history those people who have been most influential at least as American author and educator JACOB ABBOTT 1803 1879 saw it from his 19th century perspective Wildly popular and republished many times under different collected names this replica set mimics the 1904 reprint known as the Makers of History series It will delight students of history as well as show the scholar how history telling has changed over the last few centuries More than 30 other volumes in the series are also available from Cosimo Classics This volume dating from 1850 covers Cyrus the Great d 530BC founder of the Persian Empire from his early years and ascension to the throne to the Oracles the conquests of Lydia and Babylon the restoration of the Jews and more **History of Cyrus the Great** Jacob Abbott,1857 **History of Cyrus the Great** Jacob Abbott,2017-09-09 Cyrus II of Persia c 600 530 BC was the founder of the Achaemenid Empire which expanded to become one of the largest empires of the ancient world encompassing from the Mediterranean Sea and Hellespont in the west to the Indus River in the east Drawing upon archaeological fact and the sometimes dubious histories of Herodotus and Xenophon with the author providing the necessary caveats as to the historical accuracy where necessary this work tells of Cyrus s childhood education and how he came to the throne From there the story follows Cyrus s dealings with and likely manipulations of the famous Oracles and the conquests of Lydia Babylon and the expansion of his empire s borders Along the way the author weaves in fascinating details of Cyrus s interactions with his civil servants and their families including events which reveal both the humanness of mankind over 2000 years ago and also the great brutality to which they could stoop The Hanging Gardens of Babylon the incredible size of the ancient cities and the

captivity of the Jews all form important segments of the story of Cyrus In reflecting on this melancholy termination of this great conqueror s history our minds naturally revert to the scenes of his childhood and we wonder that so amiable and gentle and generous a boy should become so selfish and unfeeling and overbearing as a man But such are the natural and inevitable effects of ambition and an inordinate love of power The history of a conqueror is always a tragical and melancholy tale To be generous disinterested and noble seems to be necessary as the precursor of great military success and to be hard hearted selfish and cruel is the almost inevitable consequence of it The exceptions to this rule though some of them are very splendid are yet very few

Jacob Abbott,2010-08-01 The History of Cyrus the Great by Jacob Abbott is a truly magnificent account of the story of the life of Cyrus The Great founder of the Persian empire Narrated by two Greek historians Herodotus and Xenophon the life of Cyrus is brought to life once more in Abbott s great masterpiece While the Iranians regarded Cyrus the Great as The Father Babylonian revered him as The Liberator Hellenes saw him as the Law Giver and the Jews viewed him as The Anointed of the Lord Cyrus the Great was the emperor who proclaimed at the pinnacle of power 2500 years ago that he would not reign over the people if they did not wish it He also promised not to force any person to change his religion and faith and guaranteed freedom for all The Charter of Cyrus the Great remains an important document that should be studied in the history of human rights The first chapters in Jacob Abbott s classic tell about the birth of Cyrus the Great and his visit to Media as a young prince when his grandfather Astyages was king of Media Chapter 4 8 describes the accession of Cyrus to the throne his conquest of Lydia and Babylon and the liberation of Jews Chapter 10 tells the story of Panthea a Susian captive who was treated with dignity and respect before being reunited with her Assyrian husband Arbadates a general The last chapter tells about the death of Cyrus the Great A very interesting read

The Cyrus Cylinder Irving Finkel,2013-03-07 Some historical artifacts are destined forever to alter how the ancient world is perceived The unearthing in today s Iraq in 1879 of a clay cylinder shaped decree from Cyrus the Great founder of the Achaemenid dynasty of Persia stands in the same tradition of game changing discoveries from antiquity as Hammurabi s famous law code or the intact tomb of the boy king Tutankhamun For the Cyrus Cylinder contains in microcosm the whole history of its period Inscribed with an account of the conquest of Babylon in 539 BC by the Persian king it records an event which launched one of the greatest imperial adventures in history It describes Cyrus capture and deposition of Nabonidus last native Babylonian ruler represented by the Cylinder text as an oppressor of his own people and proclaims the Persian aided by the god Marduk as a liberator His annexation of Babylon was to become the platform upon which the Achaemenid military machine built its later vast imperium But the Cylinder is more than an ancient exercise in propaganda It has been celebrated as the world s first declaration of human rights and an international symbol of religious tolerance setting out the decree from which Cyrus freed the Jews in Babylon an event recorded by Isaiah Few other objects from antiquity are invested with so many hopes for the future This important volume is the first to discuss the Cylinder and its remarkable history Written by internationally respected authorities from the British Museum it offers a fresh consideration of its subject in the light of new discoveries Included here is a complete new translation of the Cylinder inscription using recently identified but previously unpublished sources Archive materials have allowed a fresh investigation of the circumstances of the original nineteenth century find by Hormuzd Rassam and a reappraisal of the mysterious Chinese bone forgeries The book also discusses the extraordinary and evolving history of Cyrus timeless message a message that continues powerfully to resonate
