

Business Case for My Fashion Neckties

Problem The fashion industry has experienced a serious shortage of new designs and styles, especially in the necktie market. This is due to the fact that the industry has been largely stagnant for many years, with most designs being recycled or slightly modified. This has led to a lack of interest and demand for neckties, which is a problem for the industry as a whole. The purpose of this business case is to propose a solution to this problem by creating a new line of neckties that are designed to be both fashionable and functional.

Investigation

in 20

The first step in the investigation was to identify the current market for neckties. This was done by researching the current market for neckties, and by talking to industry experts. The results of the investigation showed that the current market for neckties is very small, and that there is a lack of interest in neckties. This is due to the fact that the industry has been largely stagnant for many years, with most designs being recycled or slightly modified. This has led to a lack of interest and demand for neckties, which is a problem for the industry as a whole.

The second step in the investigation was to identify the reasons for the lack of interest in neckties. This was done by talking to industry experts and by researching the current market for neckties.
