Time for Love Marie Force, 2016-10-01 Dr David Lawrence has spent the last two years atoning for his sins and recovering from the devastating breakup with Gansett Island golden girl Janey McCarthy. As the island's only doctor, he's had ample opportunity to show his fellow island residents that there's more to him than the guy who disappointed Janey so profoundly. Now if only he could find a way to forgive himself, he might be able to move on with his life without the woman he'd expected to love forever. Daisy Babson, probationary director of housekeeping at McCarthy's Gansett Island Inn, is in bad need of a fresh start after her relationship with Truck Henry took a violent turn, leaving her battered and broken in more ways than one. As she recovers from her injuries, her days are made brighter by her visits with David Lawrence. The kind and caring doctor who tended to her after the attack has become much more than a friend to her in recent weeks. Will these two wounded hearts take comfort from one another and move forward on a new path toward love together? Or will ghosts from the past derail them before they get the chance for their own happily ever after? Catch up with many of your favorite characters from earlier books in the McCarthys of Gansett Island Series and get set for another summer of love on Gansett.

case before last summer when he met Erin Barton Gansett Island's newest lighthouse keeper. Now he can't seem to find his usual enthusiasm for flying winter in the sunny South or anything that doesn't include her. Erin has been stuck on pause since she lost her twin brother. She'll tell you herself that her life has been a hot mess since Toby died. After dropping out of law school, she's flitted from one pointless job to another, existing rather than truly living. Then she comes to Gansett Island to take over as the new lighthouse keeper and meets Slim, who happens to share her beloved brother's first name. That small coincidence is enough to convince Erin that she needs to spend more time with the dashing pilot, except for the fact that he's spending the winter more than a thousand miles from her. Now Slim's come home to Gansett for the holidays and to hopefully pick up where he left off with Erin. He's got twelve days before he's due back in Florida to finish out the remainder of his winter obligations. A lot can happen in twelve days, but will it be enough to convince Erin that it's time to start truly living again?
