*What an absorbing book. I'm struck by the thought that the cost of victory is never fully paid, that the gods of war keep demanding further tribute. All the participants in the Second World War, whether as winners or losers, will continue to pay well into the 21st century. I think this is especially true of those who were born during the year in which their fathers lost their lives. [The authors] have done a good and lasting thing, bringing together some of America's war orphans.*

*The Red Rebel of San Giovanni* T. Giles Campbell, 2023-01-30 From a battered old trunk in the basement to the crumpled scrapbook in the bookcase to an aging envelope in an unused jewelry box they marched to the pages of this book to join the chorus to remember Telegrams letters taped interviews and voices from decades ago joined in to provide a chilling description of World War II Red was a Red Cross lady her brother lost in the confusion of war Some were courageous soldiers others became prominent heroes The author weaves common lives and historic events into an emotional explanation of what war was like for everyday Americans

By Colonel Ronald Losee US Marines Ret Retired Marine Colonel Ron Losee is a graduate of the University of Illinois School of Journalism His 31 year career took him to the Far East from Korea to South Vietnam and many places in between Later as a Marine Reservist when on vacation found him as a newspaper city editor I thoroughly enjoyed reading this book This is a story about typical American families and their neighborhood friends during WWII It brings a different perspective of not only the war front but stateside life during the war

By Colonel Tony Baggiano USAF Ret He served 20 years in the United States Air Force and his last Air Force assignment was the Commander of the San Antonio Data Services He was awarded numerous medals which included Vietnam Service Medal with four bronze stars The best way to teach history is to tell a story and that s what this book does This is not your normal war book as it tells a story about friends and neighbors fighting in WWII and their families

at home It tells a different story about the War to End all Wars By Lieutenant Colonel James O Donnell USA Ret Infantry combat commander from Company to Battalion and to Army level and a Distinguished member of the 16th Infantry Regiment This memoir is a collection of WWII narratives about five heroic people whose wartime stories are connected From Richmond Virginia are Harriet Vaden her brother Pfc Herbert Herbie Vaden Jr 1st Lt Jimmie Monteith and 1st Lt Richard Dick Williams and from Emmons Minnesota TSgt Donald Singlestad Herbie and Donald end up in the 5th Army fighting in Italy during the invasion of Salerno and many battles afterwards Donald Singlestad later became the most decorated soldier of the 34th Infantry Division Harriet joins the Red Cross after her younger brother Herbie enlisted and she is assigned to the 454th Bomb Group in San Giovanni and Cerignola Italy When Herbie becomes MIA and severely wounded Harriet travels across war torn Italy to find him Meanwhile Richard Williams a friend of the Vadens was a bombardier with the 454th Bomb Group and becomes a prisoner of war in Romania Included are the stories of Jimmy Monteith a neighbor of the Vadens in Richmond who is assigned to the 16th Infantry of the 7th Army and earns the Medal of Honor during the Normandy invasion Family photographs V mails and other memorabilia help tell the story of these incredible heroes as they face the perils of war The wartime experiences affected each of them in many ways both good and bad As they survived each experience their reasons for serving changed in many ways and when they returned home they had to re build their lives physically and emotionally if they were to achieve happy lives again Their stories mostly in their own words are long overdue

**My Father Had No Children** Alana Lindberg Jolley,2024-03-11 *My Father Had No Children* is a memoir exploring the author s personal journey of discovering her father s identity and ultimately understanding her own sense of self The book delves into the author s quest to uncover the truth about her father s background It is an emotional journey questioning her own identity while attempting to reconcile the conflicting information she receives while visiting a government office that her father had no children Despite her efforts she is met with bureaucratic rules and regulations preventing her from learning the truth about her father The author expresses her deep sense of loss and confusion grappling

with the idea she may not be her father's biological child. She questions her mother's role in the situation and contemplates the significance of her grandmother Peach who played a part in her early life. The memoir is a personal story but also touches on broader themes of identity, family, and the impact of war on the lives of children left behind. It explores a child's quest for connection and understanding when there is loss of a parent at an early age.

### **Historical Dictionary of World War II**

Anne Sharp Wells, 2023-12-15. World War II was the largest and most costly conflict in history, the first true global war. Fought on land, on sea, and in the air, it involved numerous countries and killed, maimed, or displaced millions of people, both civilian and military, around the world. In spite of the alliances that bound many of the same participants, the war was essentially two separate but simultaneous conflicts: one involving Japan as the major antagonist and taking place mostly in Asia and the Pacific, and the other initiated by Germany and Italy, contested mainly in Europe, North Africa, the Mediterranean, and the Atlantic. This book focuses on the lesser-known war, the war with Japan. It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later, the use of atomic bombs on Japan's cities, and the end of the Allied occupation of Japan in 1952. Although Japan renounced war in its 1947 constitution, conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas. *Historical Dictionary of World War II: The War Against Japan*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 500 cross-referenced entries on the military, diplomatic, political, social, economic, and scientific aspects of the war, in addition to the lives of the people who participated in and directed the war. This book is an excellent resource for students, researchers, and anyone wanting to know more about the war against Japan during World War II.

### Learning the Left

Paul J. Ramsey, 2015-05-01. *Learning the Left* examines the ways in which young people and adults learned and continue to learn the tenets of liberal politics in the United States through the popular media and the arts from the turn of the twentieth century to the present. This collection of essays foregrounds mass culture as an educational site; it is hoped that this focus on the history of the civic functions of the popular media and arts will begin a much-needed conversation among a variety of scholars, notably historians of education.

### Healing after Parent Loss in

Childhood and Adolescence. Phyllis Cohen, K. Mark Sossin, Richard Ruth, 2014-01-31. *Healing after Parent Loss in Childhood and Adolescence: Therapeutic Interventions and Theoretical Considerations* experts explore the varied, often complex, and always tragic circumstances under which young people face losing a parent. Profound grief and feelings of powerlessness may accompany loss of a parent at any age, but distinctly so when such loss is experienced during formative years. Whenever these individuals seek help, therapists must be psychically prepared to enter into arenas of trauma, bereavement, and mourning. The children, teens, and adults presented are diverse in age, culture, ethnicity, and socioeconomic status. A diverse group of contributors showcase a wide range of effective approaches, from traditionally structured short and long-term psychotherapies and psychoanalysis to psychoeducational, supportive, and preventive interventions. The writers in this volume

do not shy away from tough matters such as urban violence AIDS and war they address concerns practicing clinicians face such as when to work with children adolescents and adults individually and when and how to involve their surviving parents and families Included in this book are issues related to the self care and professional development needs of therapists who take on this difficult but essential work including peer support and supervision This volume is likely to spark important re examinations across all fields of mental health practice It will equip and empower clinicians of all kinds who undertake work with those who are grieving Healing after Parent Loss in Childhood and Adolescence promises to be a vital and stimulating read for supervisors teachers and trainers of child adolescent and family clinicians

### **Killing in the Name of Identity**

Vamik Volkan,2014-07-01 Why do they hate us so Vamik Volkan has the most compelling humane and universal response to the riddle of our time In this extraordinary and timely book Volkan explains better than anyone the relationship between large group identities and massive traumas and current events and ongoing conflicts around the world including those related to the horrific attacks of 9 11 In Killing in the Name of Identity Volkan has taken us further and deeper into the dark and vulnerable collective mind of ethnic religious cultural and national group conflict Through his eyes and words we find ourselves looking into and making contact with the universal elements present in humanity and in ourselves which converge in producing the conditions for great human tragedies No one understands nor writes about large group terror and violence in a more compassionate and profoundly instructive way

*Why Preach* Peter John Cameron,2009 Well known for his teaching writing and editing of Magnificat the widely popular monthly publication containing the Scripture readings and prayers for the Mass used weekly by several hundred thousand Catholics Fr Peter John Cameron O P offers here expert spiritual and practical help for priests pastors and seminarians desiring to preach effectively Why Preach draws from the author s rich understanding of the Word of God as the challenging encouraging and healing presence of Christ as well as from his own experience as both a preacher and a teacher of homiletics With an eye focused on the works and examples of Pope John Paul II and Pope Benedict XVI Father Cameron illustrates that good preaching derives from and leads to an encounter with Christ the Word of God made Flesh who comes to us through the Scriptures The objective of the book is to help preachers to think about preaching in a new dynamic way Its aim is to provide a fresh and helpful vision of preaching geared to deepening a preacher s appreciation of what preaching is and the great spiritual impact that good preaching can have on its audience so as to increase his desire and ability to preach well
