Lost Innocence True Cases Of Stolen Children:

Witnessing Australian Stories Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia's history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia's indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction's critically acclaimed Memory and Narrative series *Up for Sale* Alison Marie Behnke, 2017-01-01 Trafficking thrives in the shadows And it can be easy to dismiss it as something that happens to someone else somewhere else But that is not the case Trafficking is a crime that involves every nation on earth and that includes our own US secretary of state Hillary Rodham Clinton 2009 Human trafficking is as old as slavery and continues to be practiced in the modern world Victims of human traffickers include workers in restaurants and in garment factories maids and nannies in the homes of wealthy families child sex workers beggars on the street boy soldiers even infants kidnapped for foreign adoptions Women and children are more likely to be coerced or seized than men and boys especially if they are poor and uneducated Traffickers sell their victims for their bodies or for their labor and reap an enormous profit Human trafficking is estimated to be a 30 to 45 billion industry on an annual basis rivaling weapons and drug trafficking as one of the most profitable criminal undertakings in the world *Up for Sale* takes a hard look at human trafficking identifying perpetrators and telling the stories of victims through their own words You'll discover why some people become vulnerable to trafficking and you'll read about what their lives are like on a daily basis You'll also meet some of the courageous individuals and organizations working to free people from lives in bondage so that in the words of US president Barack Obama each person can forge a life equal to their talents and worthy of their dreams *Invisible Kingdom* Richard S. Briggs, 2024-10-07 In the mid 1980s the Waterboys took a sudden turn away from their climb up the ladder of UK rock stardom and headed out to Ireland and eventually the rural West of Ireland to record the remarkable Fisherman's Blues album They drew together traditional Irish music folk gospel and blues stylings and a joyful sense of storied wonder This tale of the rediscovery of an

enchanted musical and lyrical kingdom serves as the framework for Richard Briggs to explore gospel re enchantment in dialogue with the worlds of myth and fairy Drawing on C S Lewis J R R Tolkien and others just as did the Waterboys themselves Invisible Kingdom finds theological wisdom to the soundtrack of the rock band and the fiddle in celebrating a life giving Irish odyssey
