**Killing Season** Peter Canning,2021-04-06 A devastating empathetic look at the opioid epidemic in the United States through the eyes of a paramedic on the front lines I set my cardiac monitor down by the young man's head He is lifeless his face white with a blue tinge I apply the defibrillator pads to his hairless chest A week from today after the young man's brain shows no signs of electrical activity the medical staff will take the breathing tube out and with his family gathered by his side he will pass away at the age of twenty three When Peter Canning started work as a paramedic on the streets of Hartford Connecticut twenty five years ago he believed drug users were victims only of their own character flaws Although he took care of them he did not care for them But as the overdoses escalated Canning began asking his patients how they had gotten started on their perilous journeys And while no two tales were the same their heartrending similarities changed Canning's view and moved him to educate himself about the science of addiction Armed with that understanding he began his fight against the stigmatization of users In Killing Season we ride along with Canning through the streets of Hartford as he tells stories of opioid overdose from a street level vantage point A first responder to hundreds of overdoses throughout the rise of America's epidemic Canning has seen the impact of prescription painkillers heroin and the deadly synthetic opioid fentanyl firsthand Bringing us into the room or the car or the portable toilet with the victims of this epidemic Canning explains how he came to favor harm reduction which advocates for needle exchange community naloxone and safe injection sites Through the rapid fire nature of one paramedic's view of addiction and overdose readers will come to understand more than just the science and misguided policies behind the opioid epidemic They'll also share in Canning's developing empathy Stripping away the stigma of addiction through stories that are hard hitting poignant sad confessional funny and overall human Killing Season will change minds about the epidemic help obliterate stigma and save lives
