Love Notes From The Heart Of God:

Love Notes from the Heart of God Christa Erario,2014-11-07 These love notes tell of God's great and tender love for his people. God is pouring out his heart to his people to anyone who will listen. These notes are a wellspring of information and healing for people's souls and bodies. I am a God of love and justice but in these end times I am pouring out my great unfathomable mercy on all mankind like never before since the creation of man. I want nobody to be lost. Thus I am writing these love notes to my people who I died to save in the hope that they will listen and have a change of heart before it is too late.

Love Letters from the Heart of God Tamara Joy Lee,2014-01-31 Love Letters from the Heart of God invites you to hear words of love spoken from the heart of God to your heart. For three decades Tamara Lee has cultivated listening to the voice of God and carefully recording exactly what she hears. These letters convey the message that God's thoughts toward you are loving, merciful, and kind. God is a good God who cares deeply about you. God wants you to know you are loved and adored beyond anything you could ever imagine. God lavishes love upon you and will love you to wholeness. In this fast-paced world addicted to multitasking, you are encouraged to make room for God in the inn of your heart. Here the author describes her process of receiving and recording words from God and gives instructions to guide you in hearing the voice of God. Through Love Letters from the Heart of God you can know God is wildly in love with you, experience God's love in a refreshing new way, be transformed by the power of God's love, be encouraged to share the love of God, and receive fresh revelation about the true nature of God.

Love Notes, Second Edition Ryan T. Dalgliesh,2013-04 It doesn't take too long to realize that we struggle with loving like Jesus loved. Where he is patient, we are not. Where his compassion overflows, our egos are offended. We know the great love our Jesus has for us, and yet we find it difficult to pour out that same love on others. Marriage, where love should abound, often feels more like battleground where wounds are inflicted and superficially treated, and we wonder if tomorrow will provide a reprieve. In Love Notes, we are reminded that unless we really understand what it means to be loved by a faithful God, we will never be able to love others well. In a conversational style that leaves you feeling Ryan is sitting right next to you, Love Notes takes you on a journey of honest examination and spiritual growth. Conviction is followed up with hope as you come to the place where you recognize that God's love for you will enable you to love well.

Needing answers on how to survive being single as everyone around her seemed to blissfully glide into marriage and family Brittany Southard had a strong appetite for pleasing her God and living solely according to his will After composing a list of qualities for a future mate and refusing to compromise on a single one Miss Southard felt lonely trying to withstand the constant advice and rebuke of others who saw her as listing her way out of finding her person In the loneliness and doubt she found a strong foundation of faith and gained total confidence in the fact that her God was a God of details and no task was too big for Him As she began walking and talking in the most intimate garden of her life God began to talk back leaving her love notes in the most unusual and awesome places As she shared conversations with God on social media hundreds began to ask questions and share stories Many encouraged her to document her journey Known for her heart ministry Miss Southard has touched just that the hearts of many As you take the journey with her it will open you up to a whole new meaning of faith and perfect trust in the God who hung the stars and took time to leave heart notes everywhere **Love Notes** Laura LM, 2012-03-14

A Theology of Gay and Lesbian Inclusion Donald G Hanway, 2012-12-06 Encourage the Church to address the gift of human sexuality how to view it how to deal with it and how it relates to spirituality A Theology of Gay and Lesbian Inclusion Love Letters to the Church challenges traditional church teachings that brand homosexuality as immoral using pertinent scripture from the central Gospel to promote a full acceptance of gay and lesbian Christians This powerful book questions the assumption that gay Christians are morally inferior presenting testimony from gay men and lesbians about prejudice they've experienced at the hands of the Church and its straight members Written as a series of ten letters the book addresses the strengths and weaknesses of the church and appeals for a new understanding and commitment to the acceptance of its gay members From the author The purpose of this book is to equip you Christian warrior of the Gospel of peace to stand against those who use the Bible to resist change even that change of which our Lord would approve In one sense there is nothing revolutionary about this book It is a book that respects tradition but only up to a point that point where tradition has to change to give way to what the Holy Spirit is showing us in our day of the mind of Christ And this is not revolutionary because tradition has had to change before it is a developing truth born of the corporate experience of the children of God and open to our claiming the exercise of our God given gift of reason A Theology of Gay and Lesbian Inclusion includes a series of letters that progress from establishing the purpose and credibility of the author to developing grounding in Scripture and experience to appealing to the reader to act as an ally of gay and lesbian Christians The letters include Dear Christian Believer which aims for the bull's eye of the reader's faith Dear Sexual Being which offers a fresh look at a sensitive topic Dear Confused Church Member which discusses what

gay people are really like Dear Concerned Church Member which discusses what gay people really want Dear Bible Explorer which discusses what the Bible really says Dear Person Trying to Do the Right Thing from being to doing and much more A Theology of Gay and Lesbian Inclusion provides a friendly and informal Biblical rationale for alternatives to traditional church teachings encouraging the acceptance of gay and lesbian people as fully moral and fully Christian Bless her Heart, I love her Tylia L. Flores, Bless Her Heart I Love Her Talia Qute was drowning not in the dark waters of the lake but in the suffocating weight of her own despair When she stood on that dock ready to surrender to the pain God sent her an unlikely lifeline in the form of Martin Frantz a towering Army reservist whose crutches couldn't slow his determination to show her Christ's love Martin knows what it means to battle limitations Born with cerebral palsy he's learned to see his weakness as God's canvas for miracles When he spots the broken woman at The Cove he responds the only way he knows how one handwritten Scripture at a time each sticky note a lifeline of hope As their friendship deepens into something more both must confront their deepest fears Talia's terror that she's too damaged to be loved and Martin's struggle to believe God could use a cracked pot like him for kingdom work When military duty calls Martin away their fledgling faith faces its greatest test can love anchored in God's Word survive the storms of separation and past traumas Bless Her Heart I Love Her is a powerful testament to God's relentless pursuit of the hurting The transformative power of Scripture in daily life How our weaknesses become God's greatest platforms The truth that no one is too broken for redemption This emotional Christian romance reminds us that sometimes God's greatest miracles come wrapped in ordinary packages a sticky note a shared prayer or the courage to love someone back to life Perfect for readers who believe in love stories with spiritual depth and the power of faith to rewrite any ending For I am convinced that neither death nor life will be able to separate us from the love of God Romans 8:38-39 Tylia L. Monique, 2022-03-27 Healing is a process a personal process that encompasses individual strength behaviors actions and attitudes We get to decide when how and why we complete the healing process Many times we petition for God to speak to acknowledge or to send a sign for the pain challenges and places we face If we listen close enough or pay attention we will find He does send a

Word through a scripture person circumstance or our own prayers Unfortunately there are times we simply miss it Times when we overlook the exact thing we asked God for and there are times when we can't recognize God's answer amid our troubles because they feel so loud big painful This compilation of Love Letters Notes of Encouragement Pivot Points and Prayers are a remembrance of God's Word speaking to the challenges pains and places over a young adult life resulting in hope encouragement and connection Through the Love Letters we see how God's love is revealed and supported by scripture In Notes of Encouragement we find God's word releasing us from the frustrations of disappointment resentment and perceived failed opportunities In Pivot Points we find God's word soothing our decisions discretions and renewing hope Finally in Prayers we find an honest conversation with the Father The reflections within the Love Letters Notes of Encouragement Pivot Points and Prayers acknowledge the hurt which began the healing process We all deserve to heal from past hurts to embrace the possibilities of future happiness Recognizing that the Father will answer that healing is possible and He wants us to be filled with the Fruit of the Spirit is a beautiful phenomenon filled with real hope There is a petition for each of you to lean in to listen for or remember when God spoke directly to your challenge pain and place Be encouraged

Select Notes Mary Abby Thaxter Peloubet, 1883 **Simple Sayings and Thoughts for the Mind, Heart and Soul** Joe Cervantes, 2016-06-08 Wisdom knowledge and understanding are similar to finding a treasure chest full of diamonds and nuggets of gold How can anyone not take advantage of such an abundance of wealth In the midst of so much confusion one needs to take the time to believe that there is wealth in the word of God and from his people to overcome such daily adversaries We are challenged in our everyday lives but may you take that first step of faith living for God and in helping others with love where there is failure I know many books have been written with different opinions and advice by different writers about God and life As the author of this book I've tried to give some simple wisdom and understanding in so many areas of our lives making it simple to understand and of course with some sense

of humor As one who goes alone through the maze of life sometimes it requires us to learn quickly in order to find the key to the cross So where advice isnt available we are tempted get off course and learn the hard way which gets more complicated if we become stubborn Just like the whole armor of God protects every part of our spiritual and physical bodies taking some good advice and motivation will help us progress as a child of God For those who love to make things possible by taking advice may this book help you to change your route and save you time There are over six thousand thoughts of my personal sayings which can be used as a text starter for a sermon or a conservation piece for inspiration Please enjoy them youve struck it rich with some great wisdom Joe Cervantes

Marriage from the Heart Donald R. Downing, 2010-04 Marriage is God s idea He has no bad ideas He brought Eve to Adam married them and they lived as husband and wife for over 900 years Genesis 2 21 25 and 5 5 By this we can conclude that divorce was not God s idea but Satan s idea to destroy God s ideas plans and purpose of marriage between a man and a woman We seek to find the right person when the greater picture is to be the right person Man sets the time for the wedding but God sets the time for the marriage There is a great difference between a wedding and a marriage Many walk down the aisle to be wedded for all the wrong reasons Saying I do and placing wedding rings upon fingers does not always mean they are married within their hearts This book reveals that a man and a woman may marry and yet not be a true husband and wife It stresses the importance of friendship courtship engagement and being married from the heart Introducing a revolutionary approach to the covenant of marriage this book addresses commitment romance love keeping a right heart a sound mind and a pure relationship Dr Donald R Downing is a heart physician and specialist from God to the body of Christ He has written over 12 books and considers Marriage from the Heart to be one of his most important writings He believes the only way to defeat the high rate of divorce and separation is to restore romance to the relationship and to be truly married from the heart
