worked hard to pursue her premed dreams at Stanford but the fallout from undiagnosed Lyme disease sends her back to her childhood home in New Jersey during her sophomore year and leaves her wondering if she'll ever be able to return to the way things were. Thankfully she has her online pen pal Brigid and the rest of the members of oof ouch my bones a virtual support group that meets on Discord to crack jokes and vent about their own chronic illnesses. When Brigid suddenly goes offline Priya does something out of character she steals the family car and drives to Pennsylvania to check on Brigid. Priya isn't sure what to expect but it isn't the horrifying creature that's shut in the basement. With Brigid nowhere to be found Priya begins to puzzle together an impossible but obvious truth the creature might be a werewolf and the werewolf might be Brigid. As Brigid's unique condition worsens their friendship will be deepened and challenged in unexpected ways forcing them to reckon with their own ideas of what it means to be normal.

*A New Writing Classroom* Patrick Sullivan, 2014-11-15 In A New Writing Classroom Patrick Sullivan provides a new generation of teachers a means and a rationale to reconceive their approach to teaching writing calling into question the discipline's dependence on argument. Including secondary writing teachers within his purview Sullivan advocates a more diverse exploratory and flexible approach to writing activities in grades six through thirteen. A New Writing Classroom encourages teachers to pay more attention to research in learning theory transfer of learning international models for nurturing excellence in the classroom and recent work in listening to teach students the sort of dialogic stance that leads to higher order thinking and more sophisticated communication. The conventional argumentative essay is often a simplistic form of argument widely believed to be the most appropriate type of writing in English classes but other kinds of writing may be more valuable to students and offer more important kinds of cognitive
