**Academy, with which are Incorporated Literature and the English Review** ,1876      *The Hagiographer and the Avatar* Antonio Rigopoulos,2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru s hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru s hermitage more or less continuously from 1954 up until Kasturi s death in 1987 Despite Kasturi s influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi s relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer s work was not subordinate to the guru s definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi s ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself

this book deepens our understanding of this important pan Indian figure and his charismatic religious movement

**Aesthetics of Culture in Buffy the Vampire Slayer** Matthew Pateman,2015-03-21 On the TV screen as elsewhere there is often more than meets the eye For decades television has offered not just entertainment but observations subtle and otherwise on society This book examines the cultural commentary contained in Buffy the Vampire Slayer a show that ran for seven seasons 1997 2003 and 144 episodes On the surface Buffy is the marriage of a high school drama to gothic horror This somewhat unusual vehicle is used to present via the character of Buffy fairly typical views of late 20th century culture teenage problems issues regarding a broken home and the search for meaning and validation In addition subtler themes such as cultural views of knowledge ethnicity and history are woven into the show's critique of popular culture Organized into two sections this volume offers an in depth examination of the show first through the lens of Buffy's confrontation with culture and second from the complex perspectives of the individual characters Issues such as values ethical choices and the implications of one's actions are discussed without ever losing sight of the limitations of a medium that will always be dominated by financial concerns The final chapter summarizes what Buffy has to say about today's society An appendix lists Buffy episodes in chronological order      **The Nation** ,1892      **The Athenaeum** ,1909      The English Catalogue of Books Sampson Low,1876 Vols for 1898 1968 include a directory of publishers      *The English Catalogue of Books* ,1876
