The Lord's Prayer

Nicholas Ayo,2002 This book is a definitive study of the exemplary prayer of the gospel Nicholas Ayo s The Lord s Prayer presents a carefully detailed exposition of the Our Father as a text worthy of inspiring both mind and heart Praying by Heart Stephen Cottrell,2024-10-10 Archbishop of York Stephen Cottrell argues that the first two words of Christianity s most famous prayer the Lord s Prayer encapsulate the radical heart of the Christian faith that we belong to each other and that we all have access to God And if we could understand both these ideas they would truly change our lives and the world Unpacking each clause of this ancient prayer both for those who want to encounter it afresh and those beyond church circles this is the Lord s Prayer recast as a manifesto for the 21st century church and all who are searching to belong **A**

Theology for the Twenty-First Century Douglas F. Ottati,2020-10-15 Christianity in the United States is in crisis

Liberalism is declining evangelicalism is splintering increasing numbers of Christians are slipping away from churches and more and more young people are for various reasons finding Christianity as they conceive it a metaphysical thought system or society of science deniers or an ideology for oppressors not just implausible but repellent At the same time Christians across denominational and ideological divides are rediscovering a moral core especially in the Jesus of the Gospels that reactivates and unites them and this kind of faith appeals to many who consider themselves averse to all traditional organized religion But any revitalized Christian faith is going to need to understand its rootedness in and interpretation of Christianity s foundational texts and traditions Noted theologian Douglas F Ottati steps in to offer a theology for this new era Combining deep learning in texts and traditions with astute awareness of contemporary questions and patterns of thought and life he asks what does it mean in our time to understand the God of the Bible as Creator and Redeemer Distilling the content of Christian faith into seventy concise propositions he explains each in lucid cogent prose A Theology for the Twenty First Century will be an essential textbook for those training for ministry in our current climate a wise guide for contemporary believers who wonder how best to understand and communicate their faith and an inviting and intelligent resource for serious inquirers who wonder whether the way of Jesus might help them grasp the real world while remaining open to the transcendent **Praying with Jesus and Mary: Our Father Hail Mary** Leonardo Boff,2005 *Emmanuel*

Green,Stephen T. Pardue,Khiok-Khng Yeo,2017 Though the global center of Christianity has been shifting south and east for decades very few biblical and theological resources have dealt with the seismic changes afoot The Majority World Theology series seeks to remedy that lack by gathering well regarded Christian thinkers from around the world to discuss the significance of Christian teaching in

their respective contexts This textbook series introduces students and scholars to these enlightening developments from the Majority World In So Great a Salvation nine scholars from the global church reflect deeply on soteriology in the Majority World For many Christians outside Europe and North America the doctrine of salvation is not a mere theological construct but rather a matter of life and death Taking African Asian Latin American and First Nations cultural contexts into account this book allows readers to see God s creative deliverance in a fresh light CONTRIBUTORS Milton Acosta Colombian Ray Aldred Cree Sung Wook Chung Korean American Rosinah Mmannana Gabaitse Botswanan Elaine W F Goh Malaysian Chinese Emily J Choge Kerama Kenyan Jules A Mart nez Olivieri Puerto Rican Daniel J Treier American K K Yeo Chinese American

Jesus, Jubilee, and the Politics of God's Reign Christian T. Collins Winn, 2023-02-07 What if the kingdom of God is not a place but a person In this timely monograph Christian T Collins Winn argues that the kingdom of God is Jesus himself Drawing on a wide breadth of liberation theology Jesus Jubilee and the Politics of God s Reign amplifies the echoes of salvation history in contemporary struggles for social justice Collins Winn demonstrates how the institution of the Jubilee year exemplifies the kingdom of God A semicentennial celebration prescribed in the book of Leviticus Jubilee prescribed the redistribution of wealth and freeing of prisoners Hope for Jubilee persists in apocalyptic rhetoric from the exhortations of Old Testament prophets to those of modern progressives Likewise Jesus s ministry passion and resurrection convey the justice of Jubilee and urgency of apocalypse His conquest over death represents the ultimate vindication of the oppressed in the kingdom of God an outpouring of Spirit seen today in continuing restorative efforts by oppressed communities in the face of death dealing institutions Historically informed and passionately written Jesus Jubilee and the Politics of God s Reign challenges readers to find Jesus in the marginalized persons of our own time

The Kingdom of God John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both

scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

The Vicarious Humanity of Christ and the Reality of Salvation Christian D. Kettler,2011-03-01 In this book the problem of the reality of salvation is addressed by T F Torrance s doctrine of the vicarious humanity of Christ Through this approach salvation as humanization is affirmed yet without the problems of anthropocentric theologies This book is unique in that it offers both a survey of contemporary Christian thinking on salvation as well as a constructive alternative based on Torrance s doctrine a significant yet neglected contribution to modern theology

Living Belief Douglas F. Ottati,2022-06-07 A leading theologian s concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In Living Belief he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord s Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable Living Belief makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity
