Kierkegaard and the Philosophy of Love Michael Strawser,2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard s writings as he argues that the central issue of Kierkegaard s authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self love possible How can I love God and themes love s immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide ranging analysis of Kierkegaard s writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard s writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser s argument that Kierkegaard s writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with Kierkegaard s writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force Love's Transcendence and the Problem of Theodicy Claudia Welz,2008 Claudia Weltz explores responses to the problem of evil that do not end up in a theodicy Kierkegaard s and Rosenzweig s reasons for having no reason to defend God and their ethics of love are discussed in the context of German idealism and French phenomenology **BOOK JACKET** **Here, There, And Everywhere: The Boy Who Hears the Shadows** Avlon McCreadie,2018-01-12 Sara Adeline Mazzolini wrote

Solomon,2010-12-08 Love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won t always be easy in fact it s sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex and Gender What s So Good About Love *Love Letters from the Nile* Mary Randolph,1910 *Many Thoughts of Many Minds* ,1863 **Pocket Posh 100 Classic Love Poems** Jennifer Fox,2012-12-04 Find a hundred ways to say I love you with a heartwarming collection featuring poets from Shakespeare to Shelley If ever two were one then surely we Anne Bradstreet Shakespeare s sonnets the elegant words of Robert Browning the poignant works of Elizabeth Barrett Browning the stirring poetry of Christina Rossetti all are collected here in this celebration of romantic passion and deep abiding love Emily Dickinson Ralph Waldo Emerson William Butler Yeats Lord Byron Keats Wordsworth Shelley and other treasured poets provide meaningful memorable ways to speak the language of the heart *Children of an Everlasting Heaven* Arthur Winarczyk,2013-04-27 They were as different as the creatures of the land are to the creatures of the sea They were a people in the spirit and
