Love Was The Alibi:

Love Was the Alibi Tiff Smitty, 2018-07 Dawson Jones has recently graduated college and is looking to make the next big steps in life including finding love After being betrayed by his girlfriend and roommate he meets Davita a self proclaimed thoroughbred who comes with more drama than most Davita is more into money than finding love She s content with the instabilities of her life until she finds happiness and stability with Dawson Dawson being the good guy he is sticks around and continues to love her when she needs it most Can she escape the drama and be happy with Dawson or will dealing with old associates cost Davita her life **Love Was the Alibi 3** Tiff Smitty, 2018-07-02 Love becomes the alibi for the crime once again This time it takes a toll on all parties involved Including Stefani a young beauty who finds herself connected in more ways than one Now that Davon has gotten rid of his replacement he s on a mission to get Michelle back Will he treat her right this time or does he plan to live young and wild forever Rick is out of jail and on the grind for a new hustle He finds that getting and staying out of the friend zone may be harder than staying out of trouble Dawson and Davita are a young beautiful couple but they aren t perfect Davita is still getting acclimated to the married life Issues with loyalty and trust cause a few more bumps in the road Dawson is a good man but the love he has for his wife is tested yet again in this finale [Love Was the Alibi 2](#) Tiff Smitty, 2018-07-02 Dawson and Davita are still in love and living happily ever after Old acquaintances resurface and new friends want to get acquainted as Dawson gets on his grown man Davita makes a big mistake that could cause Dawson to cut her off like he did his ex Can she redeem herself Rick is dealing with the loss of his brothers and has ran into some trouble How deep does his love go for his best friend Davita Davon is a force to be reckoned with He looks up to his boss as the big brother he never had which would be okay if his boss wasn t a contract killer What s a young unstable brother to do when the girl he loves falls for someone else Love once again becomes the alibi **LOVE, LIES & ALIBIS** Linda Markowiak, 2011-07-15 LOVE THAT MAN Young alone pregnant Ten years ago eighteen year old Rachel Penning could only stand and watch as the cops arrested the boy she loved and sent him to prison If only she d had the courage to give him an alibi Now Jake Monroe s out on good behavior and Rachel is his parole officer Jake the man is very different from Jake the boy He s strong tough angry and determined to clear his name And this time no matter what anyone says Rachel s going to help him For his sake for her sake and for the sake of their ten year old son [The Philosophy of Parochialism](#) Radomir Konstantinovic, 2021-10-07 The Philosophy of Parochialism is Radomir Konstantinovi s 1928 2011 most celebrated and reviled book First published in Belgrade as Filosofija palanke in 1969 it attracted keen attention and controversy through its unsparing critique of Serbian and any other nationalism in Yugoslavia and beyond The book was prophetic seeming to anticipate not only the bloody disintegration of Yugoslavia in the 1990s but also the totalitarian turn in politics across the globe in the first decades of the new century With this translation English speaking audiences can at last discover one of the most original writers of eastern European late modernism and gain an important and original perspective into contemporary

politics and culture in the West and beyond This is a book that seems to age in reverse as its meanings become deeper and more universal with the passage of time Konstantinovi sbookresists easy classification mixing classical Montaigne like essay prose poetry novel and literary history The word philosophy in the book s title refers to the solitary activity of reflection and critical thinking and is also paradoxical according to the author a defining characteristic of parochialism is precisely its intolerance toward this kind of self reflexivity In Konstantinovi s analysis parochialism is not a simply a characteristic of a geographical region or a cultural political and historical formation these are all just manifestations of the parochial spirit as the spirit of insularity His book illuminates the current moment in which insularity undergirds not only ethnic and national divisions but also dictates the very structure of everyday life and where individuals can easily find themselves locked in an echo chamber of social media The Philosophy of Parochialism can help us understand better not only the dead ends of ethnic nationalism and other atavistic ideologies but also of those cultural forces such as digital technologies that have been built on the promise of overcoming those ideologies
