Love William Barclay, 2013-01-03 These insights show us the all encompassing breadth of the love of God for those who rest in the love of God and for those who spurn it All are included in the vast and inclusive love of God William Barclay explores the deepest layers of meaning behind many key New Testament passages on what Christian love means *Love Like Jesus* Robert L. Morris Jr., 2022-04-13 There's an old joke about a young boy who continually fell out of bed No matter what the parents did nothing helped One night the parents heard a loud thump ran to their son's room and found him on the floor The dad asked what had happened The boy said I guess I stayed too close to the place where I got in When it comes to spiritual maturity most Christians can say the same thing I've stayed too close to where I got in In other words we haven't

grown much since we first became believers It s not that believers don t desire a mature walk with Jesus Most followers don t know how to grow In Love Like Jesus author Rev Dr Robert L Morris Jr offers an in depth look at the Beatitudes Jesus teaching on spiritual growth Jesus teaches the eight steps in the growth cycle and each spiritual truth builds on the one s previously taught He began with the necessity of mourning and concluded with a victorious faith during times of persecution Morris discusses that to learn to love as Jesus loves we must become more like him Spiritual growth is not a stroll in the park it s an intentional lifelong journey with a mixture of hardships and victories But it s always worth the trip In the end our hearts will be transformed and we ll become more and more like the savior The Beatitudes are the pathway the starting place

In Your Eyes I See My Words Pope Francis,2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio s writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio s homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio s friend the Uruguayan philosopher Methol Ferr the literary figure Miguel ngel Asturias and Enrique Santos Disc polo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God s people that seeks to spread God s merciful anointing to those living on the margins of life

God Is Love Gerald Bray,2012-03-31 While there is no substitute for personal faithful and careful Bible reading and prayer the Bible s vast size and diversity can make distilling its truth a daunting task Thus most Christians benefit from

supplemental resources to help learn and apply what Scripture teaches. Renowned theologian Gerald Bray has produced just such a resource in his new systematic theology. Though packed with robust content, he writes about this volume with the aim to reach those who would not normally find systematic theology appealing or even comprehensible. This volume is unique from others in that Bray traces the common theme of God's love through the Bible categorically from God's love for himself and his creation to the cross as the ultimate expression of God's love among other categories. The centrality of God's love in Bray's theology reflects a deep conviction that the Bible shows us God for who he really is. This volume will be of interest to Christians seeking to grow in their faith.

From My Heart to You Kamille Vassell, 2010-08-06 It's amazing how much better we feel and how edifying it can be when we receive a word from the Lord, especially in those difficult times when God seems so far away as though he is not with us. This book contains not just poems but words from the heart and mind of God to his people to edify, encourage, and let you know that he is the I AM THAT I AM of your life. It shows a relationship between a father and a child and how speaking to your father from the deepest depths of your heart can be the most wonderful thing.

Love Is Enough Paula Bourassa, Ascended Master Kuthumi, 2012-03-01 Love is Enough is a channeled book by Paula's guide, Ascended Master Kuthumi. His words bring hope to anyone who has ever felt devastated by relationship difficulties, mourned the passing of a loved one, or suffered from emptiness, self-abandonment, and broken dreams. He targets the root of self-doubt and shows how it has influenced the beliefs we hold about what love is and what love should do. The need to prove our love is one of the primary reasons we feel distress, leaving us with a haunted feeling that who and what we are is never enough. He clarifies that it is not selfish to love yourself above others. Once you embrace self-love, you'll enjoy the peace of every moment, liberated from any residual of past experience and free from future expectations. He reassures us that when Love Is Enough, your desires carry the full power to manifest. They go forth and simply become your reality because they are unfettered by human emotion.
