For the Win Kelly Jamieson, 2020-03-03 Harrison Wynn Even though I'm the oldest player on the farm team I'm playing my heart out this year to prove that I have what it takes to play in the NHL Everyone expects me to live up to my dying hockey hero dad's legacy but my chances are receding every season What I need is to focus but the team's new yoga instructor is a major distraction I've had my eye on her from the first time we met Except she's not interested okay maybe actively disinterested since I accidentally dumped her into the ocean during our paddleboard yoga class How can I prove to her and to the NHL that I'm worth taking a chance on Arya Ross Men are the last thing I need in my life Yoga is my priority it helps me center myself and heal my soul But I can't turn down the once in a lifetime offer to be the personal yoga instructor for the local hockey team Sure there are some cute players including Harrison Wynn who seemingly won't take no for an answer and whose boyish smile and sexy charm are hard to resist He seems genuine and I wonder Can I put my past behind me to start a future with him

Rosenwein, 2021-09-21 We make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed. For love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgments. Drawing on poetry fiction letters memoirs and art and with the aid of a rich array of illustrations historian Barbara H Rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire. Each has had a long and tangled history with lasting effects on how we in the West think about love today. Yet each leads to a different conclusion about what we should strive for in our relationships. If only we could peel back the layers of love and discover its true essence. But love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies. By understanding the history of how we have loved Rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts.
