Leather Bound Recipe :

The Last Recipe: A Culinary Rebellion Sierra Guzman, **Manuscript Recipe Books as Archaeological Objects** Madeline Shanahan, 2014-11-18 During the mid to late seventeenth century women in Irish houses from elite backgrounds started to collect recipes which they recorded in domestic manuscripts While these manuscripts were made elsewhere at an earlier date they were an almost entirely new arrival to Ireland in this period and their sudden proliferation said much about changes taking place in society at large This book is a detailed study of such manuscripts from the perspective of historical archaeology which will argue that they are artifacts which clearly demonstrate that a profound series of changes was taking place The written word penetrated people s daily lives and homes to a degree that it had not in previous periods and it had a profound influence on how they related to their world objects and each other While this book will address how we can use them as sources for the study of food history and material culture it is ultimately concerned with the meanings of manuscript recipe books and specifically what they say about the individuals and society that made them The proliferation of these manuscripts signaled a profound change not just in cuisine but also in the way people thought about and related to food as a form of material culture Ultimately this book will argue that these manuscripts are not simply excellent records which can tell us about material culture within the early modern house but that they are a profoundly important type of artifact in their own right Undertaking research that situates textual objects such as recipe books at the very core of historical archaeology is critical to understanding some of the most significant changes that took place in the early modern world Witch, Please: A Memoir Misty Bell Stiers, 2018-05-01 A touching and thought provoking account of how a woman explored a spectrum of religions ancient and new and ended up unexpectedly becoming a bona fide witch plus a celebration of modern Wicca and witchcraft spell books broomsticks holiday recipes and recipes for the changing of the seasons and much more Misty Bell Stiers set out on a spiritual path to find a faith that worked for her and accidentally became a witch She knew the Bible well and got to know the Torah and Koran She studied Eastern philosophies even the stories of the Egyptians and Greeks Finally after overcoming an immediate prejudice Um no she writes as her initial reaction she found Wicca Witch Please reveals what makes the mysterious religion of Wicca so desirable for more than a million Americans In her witty direct and heartfelt text Misty explores spirituality perseverance and finding oneself She shares what Wicca means to her and what defines her as a witch what she uses her spell book cauldron and broomstick for the significance of Wiccan holidays many about new beginnings the surprising history of Wicca and what kinds of witches there are She also shares how in her busy New York City life as a mother and a creative director her faith grounds and sustains her Her uplifting you too can find what works for you voice speaks like a best friend relatable honest and encouraging This unusual and beautifully written memoir explores what it s like to be a modern day witch and how it s changed Misty s outlook on life It s candid but it s also threaded with magic and has a warming lightheartedness to it Bewitching original drawings by Misty are throughout and Misty even shares

ten original recipes for her Wiccan holiday treats including the likes of her cinnamon rolls and roasted garlic rosemary bread sprinkled with magic and seasoned with love laughter and healing

In the Kitchen, 1550-1800 Madeline Bassnett, Hillary Nunn, 2025-10-01 In the Kitchen insists that the preparation of food whether imaginative physical or spatial is central to a deeper understanding of early modern food cultures and practices Devoted to the arts of cooking and medicine early modern kitchens concentrated on producing processing and preserving materials necessary for nourishment and survival yet they also fed social and economic networks and nurtured a sense of physical spiritual and political connection to surrounding lands and their cultures The essays in this volume illuminate this expansive view of cooking and aspire to show how the kitchen's inner workings prove tightly though often invisibly interwoven with local national and increasingly global surroundings Engaging with literary and historical methodologies including close reading recipe analysis and perspectives on gender class race and colonialism we begin to develop a shared theoretical and practical language for the art of cooking that combines the physical with the intellectual the local with the global and the domestic with the political

Osiris, Volume 37 Tara Alberts, Sietske Fransen, Elaine Leong, 2021-06-21 Highlights the importance of translation for the global exchange of medical theories practices and materials in the premodern period This volume of Osiris turns the analytical lens of translation onto medical knowledge and practices across the premodern world Understandings of the human body and of diseases and their cures were influenced by a range of religious cultural environmental and intellectual factors As a result complex systems of translation emerged as people crossed linguistic and territorial boundaries to share not only theories and concepts but also materials such as drugs amulets and surgical tools The studies here reveal how instances of translation helped to shape and in some cases reimagine these ideas and objects to fit within local frameworks of medical belief

Translating Medicine across Premodern Worlds features case studies located in geographically and temporally diverse contexts including ninth century Baghdad sixteenth century Seville seventeenth century Cartagena and nineteenth century Bengal Throughout the contributors explore common themes and divergent experiences associated with a variety of historical endeavors to translate knowledge about health and the body across languages practices and media By deconstructing traditional narratives and de-emphasizing well worn dichotomies this volume ultimately offers a fresh and innovative approach to histories of knowledge

Recipes and Everyday Knowledge Elaine Leong, 2018-11-28 Across early modern Europe men and women from all ranks gathered medical culinary and food preservation recipes from family and friends experts and practitioners and a wide array of printed materials Recipes were tested assessed and modified by teams of householders including masters and servants husbands and wives mothers and daughters and fathers and sons This much sought know how was written into notebooks of various shapes and sizes forming treasuries for health each personalized to suit the whims and needs of individual communities In Recipes and Everyday Knowledge Elaine Leong situates recipe knowledge and practices among larger questions of gender and cultural history the history of the printed word and the

history of science medicine and technology The production of recipes and recipe books she argues were at the heart of quotidian investigations of the natural world or household science She shows how English homes acted as vibrant spaces for knowledge making and transmission and explores how recipe trials allowed householders to gain deeper understandings of sickness and health of the human body and of natural and human built processes By recovering this story Leong extends the parameters of natural inquiry and productively widens the cast of historical characters participating in and contributing to early modern science

Bird Boy Benjamin Harper, 2018-08 Includes discussion questions and writing exercise

The Bookstore's Secret Makenna Lee, 2022-12-27 A temporary pit stop or a forever homecoming Aspiring pastry chef Nicole Evans is just waiting to hear about her dream job and in the meantime she goes to work in the caf at the local bookstore But that s before the recently widowed Nicole meets her temporary boss her first crush Liam Mendez Single dad Liam has always kept his life and his heart closely guarded from Oak Hollow gossip Will his simmering attraction to Nicole be just one more thing to hide or the stuff of his bookstore s romance novels From Harlequin Special Edition Believe in love Overcome obstacles Find happiness Home to Oak Hollow Book 1 A Sheriff s Star Book 2 In the Key of Family Book 3 A Child s Christmas Wish Book 4 A Marriage of Benefits Book 5 Lessons in Fatherhood Book 6 The Bookstore s Secret

Dining with the Durrells David Shimwell, Lee Durrell, 2019-03-28 We lolled in the sea until it was time to return for tea another of Mother s gastronomic triumphs Tottering mounds of hot scones crisp paper thin biscuits cakes like snowdrifts oozing jam cakes dark rich and moist crammed with fruit brandy snaps brittle as coral and overflowing with honey Conversation was almost at a standstill all that could be heard was the gentle tinkle of cups and the heartfelt sigh of some guest accepting another slice of cake My Family and Other Animals Gerald Durrell In Dining with the Durrells David Shimwell has delved into the Durrell family archives to uncover Louisa Durrell s original recipes for the scones cakes jams tarts sandwiches and more that are so deliciously described by the Durrell family From her recipe for Gerry s Favourite Chicken Curry to Dixie Durrell Scones with Fig and Ginger Jam and including the family stories and photos that accompany them this book will transport you to long lunches enjoyed on the terrace of a strawberry pink villa sunshine filled picnics among the Corfu olive groves and candlelit dinners overlooking the Ionian Sea Warmth in the Oven Ezra Vane, When Emma Harper returns to her small hometown of Crumble Creek to inherit her late grandmother Nora s bakery she expects a quiet life filled with the comforting aroma of fresh bread and warm memories But beneath the flour dusted counters lies a legacy far richer and more complicated than she ever imagined As Emma digs through old letters secret recipes and forgotten stories she uncovers not only her grandmother s fierce determination to protect the bakery from ruthless investors but also a hidden family history that challenges everything she thought she knew Alongside Jack the charming local baker with a passion as warm as his ovens and Claire Nora s spirited niece with a claim to the past Emma must navigate old wounds new rivalries and the stirring of her own heart Warmth Beyond the Oven is a heartfelt journey about love resilience

and the power of community It s about the ties that bind us the dreams we knead into life and the courage it takes to keep the flame alive one loaf at a time Step inside Crumble Creek Bakery where every slice tells a story and every crumb carries a promise **The Prince and the Blight** Kathryn Butler,2022-06-06 An Adventure Novel for Middle Grade Readers Steeped in Magic Mystery and Glimmers of Hope Book 2 in the Dream Keeper Saga It s been a month since 12 year old Lily McKinley was whisked away to the Somnium Realm to rescue her father and although she s overjoyed to have him home she can t leave the magical world behind The glowing stone pendant that transported her is now bringing strange creatures to life against her will with her paper mache pterodactyl and even scrambled eggs suddenly moving about on their own Lily tries to pretend that everything is normal but when her friend Cedric the dragon appears to tell her that an illness has taken over the kingdom troubling questions haunt her Where is Prince Pax If he can save the Somnium Realm like he did before why won t he stop the blight Lily and her friends must return to Castle Iridyll to find out In this sequel to *The Dragon and the Stone* Kathryn Butler takes middle grade readers on an unforgettable adventure that mixes fantasy with biblical concepts As young readers join Lily s exciting quest they ll explore what it means to trust in God s faithfulness even when he feels distant Ideal for Middle Grade Readers and Families Includes kids favorite fantasy and adventure elements with imaginative new characters and settings they ll love Christian Themes This exciting story invites readers into deep conversations about the gospel and theological issues including hope evil and salvation Book 2 in the Dream Keeper Saga by Kathryn Butler

Mostly True Molly O'Neill,2006-05-02 Molly O Neill s father believed that baseball was his family s destiny He wanted to spawn enough sons for an infield so he married the tallest woman in Columbus Ohio Molly came out first but eventually her father s plan prevailed Five boys followed in rapid succession and the youngest Paul O Neill did in fact grow up to be the star right fielder for the New York Yankees In *Mostly True* celebrated food critic and writer O Neill tells the story of her quintessentially American family and the places where they come together around the table and on the ball field Molly s great grandfather played on one of the earliest traveling teams in organized baseball her grandfather played barnstorming ball and her father pitched in the minor leagues but after being sidelined with an injury in the war he set his sights on the next generation While her brothers raged and struggled to become their own men Molly appointed Deputy Mom at an age when most girls were playing with dolls learned early how to be the model Midwestern homemaker and began casting about wildly for other possible destinies As her mother cleaned fanatically and produced elaborate healthy meals Molly spoiled her brothers with skyscraper cakes scribbled reams of poetry and staged theatrical productions in the backyard By the late 1960s the Woodstock Nation had challenged some of the O Neill values but nothing altered their conviction that only remarkable achievement could save them *Mostly True* is the uncommon chronicle of a regular family pursuing the American dream and of one girl s quest to find her place in a world built for boys Molly O Neill an independent extraordinarily talented and fiercely funny woman showed that home runs can be hit in many fields Her memoir is glorious **Thirteen Peculiar**

Recipes: A Wisteria Lane Grimoire Lauren Diaz, [The Midnight Chef's Tournament: A Culinary Contract](#) Bethany Novak, **Life and times** Judith Baxter, Beth Quigley, 1997-01-01 Diaries a book of remedies and recipes and descriptions of the house and possessions of Eliza Cox Carter illuminate the life and times of a woman who was simultaneously a sea captain's wife a New Brunswick homemaker and an unlicensed healer These writings recorded between 1836 and 1882 have been edited and annotated to enrich their meaning Published in English [Migraine](#) Katherine Foxhall, 2019-06-18 A cultural social and medical history of migraine For centuries people have talked of a powerful bodily disorder called migraine which currently affects about a billion people around the world Yet until now the rich history of this condition has barely been told In *Migraine* award winning historian Katherine Foxhall reveals the ideas and methods that ordinary people and medical professionals have used to describe explain and treat migraine since the Middle Ages Touching on classical theories of humoral disturbance and medieval bloodletting Foxhall also describes early modern herbal remedies the emergence of neurology and evolving practices of therapeutic experimentation Throughout the book Foxhall persuasively argues that our current knowledge of migraine's neurobiology is founded on a centuries long social cultural and medical history This history she demonstrates continues to profoundly shape our knowledge of this complicated disease our attitudes toward people who have migraine and the sometimes drastic measures that we take to address pain *Migraine* is an intimate look at how cultural attitudes and therapeutic practices have changed radically in response to medical and pharmaceutical developments Foxhall draws on a wealth of previously unexamined sources including medieval manuscripts early modern recipe books professional medical journals hospital case notes newspaper advertisements private diaries consultation letters artworks poetry and YouTube videos Deeply researched and beautifully written this fascinating and accessible study of one of our most common disabling and yet often dismissed disorders will appeal to physicians historians scholars in medical humanities and people living with migraine alike **The Kitchen, Food, and Cooking in Reformation Germany** Volker Bach, 2016-09-30 In international culinary history Germany is still largely a blank space its unparalleled wealth of source material and large body of published research available only to readers of German This book aims to give everybody else an overview of German foodways at a crucial juncture in its history The Reformation era broadly speaking from the Imperial Reforms of the 1480s to the beginning of the Thirty Years War laid the foundations for many developments in German culture language and history not least the notion of its existence as a country Understanding the food traditions and habits of the time is important to anyone studying Germany's culinary history and identity Using original source material food production processing and consumption are explored with a view to the social significance of food and the practicalities of feeding a growing population Food habits across the social spectrum are presented looking at the foodways of rich and poor in city and country The study shows a foodscape richly differentiated by region class income gender and religion but united by a shared culinary identity that was just beginning to emerge An appendix of recipes helps the reader gain an appreciation of the practical aspects of

food in the age of Martin Luther
