Keeping Watch Laurie R. King,2004-02-03 Acclaimed as one of the most original talents to emerge in the last decade award winning author Laurie R King returns to Folly Island to deliver her most stunning achievement yet a breathtaking novel of suspense that explores the very essence of good and evil Allen Carmichael came back from Vietnam a lifetime ago but only now was he ready to return home For years he s lived on the fringes of the law using a soldier s skills to keep watch over those too young to defend themselves Some consider him nothing but a kidnapper for hire the best in the business others call him a hero His specialty has been rescuing children from abusive parents and escorting them to loving homes But after twenty five years he is ready to take on his final case a case that could destroy him The boy s name is Jamie He believes his father is going to kill him Allen is convinced that the twelve year old is right and devises a strategy to save him His last

job done Allen heads back to Folly Island where he plans to settle into a quiet life But not long after his return a small plane piloted by the boy s father s crashes leaving behind debris but no body Now it is up to Allen to resolve whether Jamie s father is dead or alive and to make sure Jamie himself stays out of harm s way But a series of ominous events leads Allen to question whether Jamie s father is really the enemy after all Or if the real threat is far more unspeakable and the killer unimaginable Riveting harrowing and unforgettable Keeping Watch takes psychological suspense to its most dizzying heights and proves again why Laurie R King has been called by both readers and critics an undisputed master of suspense *Pure and Applied Science Books, 1876-1982* ,1982 Over 220 000 entries representing some 56 000 Library of Congress subject headings Covers all disciplines of science and technology e g engineering agriculture and domestic arts Also contains at least 5000 titles published before 1876 Has many applications in libraries information centers and other organizations concerned with scientific and technological literature Subject index contains main listing of entries Each entry gives cataloging as prepared by the Library of Congress Author title indexes *British Books in Print* ,1985 **Motorcycles from the Inside Out** Michael M.
