

## During the Reading (about 7 minutes)

*The teacher invites the children to read the text individually (not in chorus). Supported by her introduction, they will be able to process the text at their own speed. The teacher takes the opportunity to listen to and interact with each reader, wherever they happen to be in the text. Here is an example of 3 interactions that focused on using meaning and letter/sound relationships to solve a new word.*

### Conference #1:

Child reads: "Sam and Mom and Bingo were down to the river." Page 2

T: You were almost right, try that again.

Child reads: "Sam and Mom and Bingo were down to the river."

T: Something you said doesn't look like what's written.

Teacher comes in to help look more closely. Teacher and child share the reading "Sam and Mom and Bingo were..." Teacher pauses.

T: If it were 'were', what letter would you expect to see in there?

Ch: 'R'

T: We would see an 'R'. Check it. Is there an 'R'?

Child shakes head no.

T: Look closely and try something else.

Child rereads. "Sam and Mom and Bingo WENT down to the river."

T: Does 'went' make sense? Does it look right?

Child nods.
