Rethinking

Homework Cathy Vatterott, 2018-09-25 In this updated edition Cathy Vatterott examines the role homework has played in the culture of schooling over the years how such factors as family life the media and homework gap issues based on shifting demographics have affected the homework controversy and what recent research as well as common sense tell us about the effects of homework on student learning She also explores how the current homework debate has been reshaped by forces including the Common Core a pervasive media and technology presence the mass hysteria of achievement culture and the increasing shift to standards based and formative assessment The best way to address the homework controversy is not to eliminate homework Instead the author urges educators to replace the old paradigm characterized by long standing cultural beliefs moralistic views and behaviorist philosophy with a new paradigm based on the following elements Designing high quality homework tasks Differentiating homework tasks Deemphasizing grading of homework Improving homework completion and Implementing homework support programs Numerous examples from teachers and schools illustrate the new paradigm in action and readers will find useful new tools to start them on their own journey The end product is homework that works for all students at all levels

Multicultural Issues and Literacy Achievement Kathryn Au, 2013-09-13 This book is a sequel to the author's earlier volume entitled Literacy Instruction in Multicultural Settings In addition to extensive updating of earlier material this book extends the content coverage to include issues of power attitudes and systemic change through the application of discourse theory and critical theory In doing so however the author has tried to maintain the brevity stylistic clarity and classroom focus of the earlier volume Key features of this important new book include Teaching Flexibility Although written with the classroom needs of pre service teachers in mind theory and research are treated in sufficient depth to make the book suitable for graduate courses and for teacher study groups Issues Organization Each chapter is organized around familiar issues that characterize schools and classrooms with diverse student populations and explores these issues through new lenses that most teachers have not previously encountered Social Constructivist Perspective Critical theory discourse theory and historical perspective are introduced in order to sensitize readers to the need to recognize negative socially sustained patterns that hamper literacy achievement and replace them with positive patterns To this end each chapter asks students to maintain a running list of negative patterns along with alternative positive patterns

Chicken Soup for the Soul in the Classroom Elementary School Edition: Grades 1-5 Jack Canfield, Mark Victor Hansen, 2012-10-16 Lesson Plans and Students Favorite Stories for Reading Comprehension Writing Skills Critical Thinking Character Building As a teacher you have the unique opportunity to teach and inspire your students to be goal oriented compassionate confident and ambitious Anna Unkovich a former teacher of thirty five years made a difference in her students lives through the daily use of stories from the bestselling Chicken Soup for the Soul series As a teacher you have the unique opportunity to teach and inspire your students to be goal oriented compassionate confident and ambitious Anna Unkovich a former teacher of thirty five years made a difference in her students lives through the daily use of stories from the bestselling series Chicken Soup for the Soul For many years Unkovich read these stories to her students and noticed remarkable changes in them both academically and personally Recognizing that today s teenagers have more challenges in finding positive role models she teamed up with bestselling author Mark Victor Hansen and veteran teacher inspirational speaker and bestselling author Jack Canfield to create an unprecedented educational curriculum for teachers to

use to empower their students in the same way that they have. Unkovich chose the most inspirational stories from the more than one hundred Chicken Soup books published. These stories, activities, and plans will enhance your existing curriculum. Designed to be read aloud to students, each story is accompanied by thought-provoking questions and exercises specifically designed and used by the authors. Your students will identify with each of the powerful stories and will be encouraged to apply the lesson plans to their own lives, challenges, and situations and at the same time improve their critical thinking and writing skills. More important, unlike other curriculums, Chicken Soup for the Soul in the Classroom educates and provides opportunities for open dialogue on real-life issues including character building and self-esteem. 2024-25 NTA
