Justifying Dictatorship Alexander Dukalskis, Johannes Gerschewski, 2018-12-07 How do dictatorships justify their rule and with what effects This and similar questions guide the contributions to this edited volume Despite the recent resurgence of political science scholarship on autocratic resilience many questions remain unanswered about the role of legitimation in contemporary non democracies and its relationship with neighbouring concepts like ideology censorship and consent The overarching thesis of this book is that autocratic legitimation has causal influence on numerous outcomes of interest in authoritarian politics These outcomes include regime resilience challenger state interactions the procedures and operations of elections social service provision and the texture of everyday life in autocracies Researchers of autocratic politics will benefit from the rich contributions of this volume The chapters in this book were originally published in a special issue of Contemporary Politics *Focus On: 100 Most Popular Light Novels* Wikipedia contributors, *An introduction to social work in Wales* The Open University, This 10 hour free course explored social work practice in Wales in particular its specific

social and cultural context *The Handbook of EEA Law* Carl Baudenbacher, 2015-12-11 This Handbook comprehensively addresses the breadth of law encompassed by the EEA Agreement which extends the European Union's Single Market to three EFTA countries Iceland Liechtenstein and Norway The Handbook is first and foremost intended for practitioners and legal scholars but its approachable style makes it readily accessible for students The Handbook provides the reader with a thorough grounding in the EEA Agreement detailing how secondary EU law becomes applicable in the EFTA pillar and the roles played by the EFTA Surveillance Authority and the EFTA Court It considers the EEA Agreement from the respective perspectives of the national authorities courts and the legal professions of Iceland Liechtenstein and Norway The book meticulously examines substantive EEA law beginning with the general principles and the four freedoms through competition law and State aid to such aspects as the precautionary principle tax law and mutual administrative and legal assistance Emphasis is placed on jurisprudence and especially that of the EFTA Court Each chapter has been written by a judge noted practitioner or eminent academic in their respective fields and the book is divided into twelve parts Part I History and main features of the EEA Agreement Part II Genesis of EEA Law Part III Institutions and Procedure Part IV National Authorities in the EFTA Pillar Part V National Courts in the EFTA Pillar Part VI The Practicing Bar in the EFTA Pillar Part VII General Principles and Prohibition Part VIII The Fundamental Freedoms Part IX Competition Law and Related Matters Part X Further Areas of Economic Law Part XI Law of Natural and Economic Resources Part XII Social Protection and Public Health

Language Policy and Language Acquisition Planning Maarja Siiner, Francis M. Hult, Tanja Kupisch, 2018-05-22 In the sociopolitics of language sometimes yesterday's solution is tomorrow's problem This volume examines the evolving nature of language acquisition planning through a collection of papers that consider how decisions about language learning and teaching are mediated by a confluence of psychological ideological and historical forces The first two parts of the volume feature empirical studies of formal and informal education across the lifespan and around the globe Case studies map the agents resources and attitudes needed for creating moments and spaces for language learning that may at times collide with wider beliefs and policies that privilege some languages over others The third part of the volume is devoted to conceptual contributions that take up theoretical issues related to epistemological and conceptual challenges for language acquisition planning These contributions reflect on the full spectrum of social and cognitive factors that intersect with the planning of language teaching and learning including ethnic and racial power relations historically situated political systems language ideologies community language socialization relationships among stakeholders in communities and schools interpersonal interaction and intrapersonal development In all the volume demonstrates the multifaceted and socially situated nature of language acquisition planning Claire L'Heureux-Dubé Constance Backhouse, 2017-10-06 Both lionized and vilified Claire L. Heureux-Dubé has shaped the Canadian legal landscape and in particular its highest court The second woman appointed to the Supreme Court of Canada and the first from Quebec she was known as the great dissenter on the bench making

judgments that were applauded and criticized in turn L Heureux Dub s innovative legal approach was anchored in the social economic and political context of her cases Constance Backhouse employs a similar tactic Rather than focusing exclusively on her high profile cases and jurisprudential legacy she explores the socio political and cultural setting in which L Heureux Dub s career unfolded while also considering her personal life This compelling biography covers aspects of legal history that have never been so fully investigated enhancing our understanding of the judiciary the creation of law the distinctive socio legal environment of Quebec the experiences of women in the legal profession and the inner workings of the top court

Interdisciplinary Approaches to Multilingualism Suzanne Curtin, Mary Grantham O'Brien, Rahat Naqvi, 2015-07-16 This research topic stems from the Interdisciplinary Approaches to Multilingualism conference which was hosted by the Language Research Centre at the University of Calgary It was the first conference of its kind which brought together the work of researchers educators and policy makers in the areas of first and second language acquisition from psycholinguistic and pedagogical perspectives The goal was to provide an opportunity for participants to engage with the implications of multilingualism from a range of perspectives including the effects of being bilingual from infancy to adulthood the process and benefits of learning multiple languages and the impact of multilingualism on society

The Evolution of English Language Learners in Japan Yoko Kobayashi, 2018-01-19 This book seeks a better understanding of the sociocultural and ideological factors that influence English study in Japan and study abroad contexts such as university bound high schools female dominant English classes at college ESL schools in Canada and private or university affiliated ESL programs in Singapore and Malaysia The discussion is based not only on data garnered from Japanese EFL learners and Japanese overseas educators but also on official English language policies and commercial magazine discourses about English study for Japanese people The book addresses seemingly incompatible themes that are either entrenched in or beyond Japan s EFL context such as Japan s decades long poorly performing English education vs its equally long lived status as an economic power Japanese English learners preference for native English speakers norms in at home Japanese EFL contexts vs their friendship with other Asian students in western study abroad contexts Japanese female students dream of using English to further their careers vs Japanese working women s English study for self enrichment Japanese society s obsession with globalization through English study vs the Japanese economy sustained by monolingual Japanese businessmen Japanese business magazines frequent cover issues on global business English study vs Japanese working women s magazines less frequent and markedly feminized discourses about English study

Tigers without Teeth Scott Wilson, 2015-03-19 This compelling book analyzes the rise of civil society and legal contentiousness in contemporary China Scott Wilson examines how Chinese AIDS carriers and pollution victims relying on weak laws and judicial institutions pursue justice and protection of their rights in Chinese courts and civil society In exploring the politics of justice in China the author contends that civil society and legal rights advance when their organizers have support from pockets of the Chinese Communist Party resources

from international groups and the backing of protesters Even lawsuits that fail in the courts can raise societal consciousness of social issues and can lead to revised state policies to address the substantive claims of disadvantaged citizens Underlying the politics of justice is the regime's attempt to balance commitments to legal development and its interest in regime stability Wilson argues that the Chinese state has looked more favorably upon pollution victims civil society organizations and lawsuits than those of AIDS carriers Going beyond the standard overviews of China's legal system *Tigers without Teeth* is unique in its close comparison of legal activism on two sensitive and politically relevant social issues It provides important insights into the development of civil society as well as highlighting limitations to the pursuit of justice as the system balances between the development of rule of law and regime stability
