WORDS: supercilious, incredulously, imperatively, extemporizing, sedative

„Tom Buchanan in riding clothes was standing with his legs apart on the front porch.

He had changed since his New Haven years. Now he was a sturdy middle-aged man of thirty with a rather hard mouth and a supercilious manner. Two shining arrogant eyes had established dominance over his face and gave him the appearance of always leaning aggressively forward.

What do you think **supercilious** means? *Answers will vary.*

What does **supercilious** actually mean? *behaving or looking as though one thinks one is superior to others (super=over; cude=full of)*

“Don’t look at me,” Daisy retorted, “I’ve been trying to get you to leave York all afternoon.”

“Fig, thanks,” said Miss Baker to the four cocktails just in from the pantry. “I’m absolutely in training.”

Her host looked at her **incredulously**.

“You are!” He took down his drink as if it were a drop in the bottom of a glass. “How you ever get anything done is beyond me.”

What do you think **incredulously** means? *Answers will vary.*

What does **incredulously** actually mean? *not able or willing to believe something (in=not or not; cred=believe; out=full of)*

“Gatsby?” demanded Daisy. “What Gatsby?”

Before I could reply that he was my neighbor dinner was announced, wedging his tense arm **imperatively** under mine. Tom Buchanan compelled me from the room as though he were moving a checker to another square.

What do you think **imperatively** means? *Answers will vary.*

What does **imperatively** actually mean? *expressing command in a forceful and confidently*

„Daisy leaned forward again, her voice glowing and ringing.

“I love to see you at my table, Nick. You remind me of a—of a rose, an absolute rose. Doesn’t he?” She turned to Miss Baker for confirmation. “An absolute rose?”
