These challenges require a variety of approaches to management, but I think you can see the general idea: get better quality, or just plain improvement, the cheapest. I always remember ^{the old} saying in the stage business: "Good-looking people are being sought, people who can do the job and whose appearance is important." They're looking for people who can do the job and whose appearance is important. I think you can see the general idea: get better quality, or just plain improvement, the cheapest. In this part I didn't pay much attention to Family Geography. However, I did think of the term "community" when I thought of the way we are connected to the world. In community, I mean the things we do together - especially when I think about a school and people who share a great deal of knowledge or ideas, often with a view to a common goal. In other words, I agree with the idea that there is a shared, collective responsibility to make something out of the world as it is.
