Grammar For English Language Teachers:

A Concise Grammar for English Language Teachers Tony Penston, 2005 A Concise Grammar for English Language Teachers excels at actually making grammar easy to understand easy to master easy to apply in the classroom Its underlying aim is to help teachers become au fait with the terminology used in modern ELT coursebooks and to build confidence in their ability to explain grammar rules both structural and functional Among the bold innovations with this book is its A4 size which more readily accommodates the plentiful and highly commended tables of grammar items It is also the first English teacher s grammar to use tree diagrams to show sentence constituents in full clarity Other strengths include the many excerpts from coursebooks and resource books plus the excellent practical tips throughout **The Teacher's**

Grammar of English with Answers Ron Cowan, 2008-05-26 The Teacher s grammar of English enables English language teachers and teachers in training to fully understand and effectively teach English grammar With comprehensive presentation of form meaning and usage along with practical exercises and advice on teaching difficult structures it is both a complete grammar course and an essential reference text Back cover **Grammar for English Language Teachers**

Martin Parrott, 2000-03-30 Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar and provides a quick source of reference in planning lessons and clarifying learners problems Each chapter includes a Typical difficulties section which explores learners problems and mistakes The book encourages teachers to appreciate the range of factors which affect grammatical choices but also introduces the rules of thumb presented to learners in course materials The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials The book is organised thematically but also provides a short cut index at the beginning for ease of reference There is also a Cambridge ELT website with further chapter by chapter extension exercises to accompany the book **Grammar for English Language Teachers** Martin

Parrott, 2010 Introduction to nouns articles adjectives More about verbs and related forms Sentence constituents and word order *Explaining English Grammar* George Yule, 1998-11-12 This book is intended for teachers of English **Functional English Grammar** Graham Lock, 1995-11-24 This text explores ways in which English grammar enables speakers and writers to represent the world to interact with one another and to create coherent messages The hardback edition provides second language teachers with a functional description of English grammar in which grammar is viewed not as a set of rules but as a communicative resource It explores ways in which English grammar enables speakers and writers to represent their experience of the world to interact with one another and to create coherent messages Each chapter includes a focus on areas of difficulty for second language learners numerous authentic examples tasks that allow the reader to apply the concepts introduced and discussion questions A final chapter covers issues in the learning and teaching of grammar and reviews methodological options for the second or foreign language classroom Assuming no previous study of linguistics or English

grammar Functional English Grammar is suitable for self study or as a textbook in teacher education programs Grammar for Teachers Andrea DeCapua,2016-07-28 Updated and revised with more examples and expanded discussions this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English The book avoids jargon and presents essential grammatical structures clearly and concisely Dr DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint discussing differences between formal and informal language and spoken and written English The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning Users are encouraged to tap into their own often subconscious knowledge of grammar to consciously apply their knowledge to their own varied teaching settings The text also emphasizes the importance of understanding grammar from the perspective of English language learners an approach that allows teachers to better appreciate the difficulties these learners face Specific areas of difficulties for learners of English are highlighted throughout **English Language Grammar Reference & Teacher's Guide (Second Edition)** C Neil Linton,2014-05-21 This English Language Grammar Reference the importance of cultural awareness and sensitivity Chapter Five gives a brief comprehensive overview to the main teaching perspectives or models available There are many approaches and methods used some are more mainstream then others Chapter Six provides relevant practical advice in regard to ESL lesson design and its delivery This includes but is not limited to the individual components generally found in an ESL lesson plan the environment in which delivery takes place in most cases the classroom the physical resources and technologies that can be considered and the interpersonal skills needed to successfully build rapport and to be credible and respected as a professional This book has been designed and intended as a resource to be used while creating lessons but also used during actual real time teaching As students ask grammatical or composition questions the English Language Grammar Reference Teacher s Guide Second Edition can be quickly accessed explanations given and examples modified from the book and then written on a writing surface The Grammar Book Diane Larsen-Freeman,Marianne Celce-Murcia,Jan Frodesen,Howard Alan Williams,Benjamin White,2014-06-15 The Grammar Book introduces teachers and future teachers to English grammatical constructions This highly acclaimed text used both as a course book and as a grammar reference guide is suitable for all teachers of English What sets it apart from other grammar books is its unique pedagogical focus It describes not only how each grammatical construction is formed but also its meaning and its use Grammar is seen to be a resource for making meaning in textually and socially appropriate ways *The ELT Grammar Book* MICHAEL C. BERMAN,Richard Firsten,2021-03 Who says a grammar guide has to be boring If you re looking for a resource to help you understand and teach English grammar but don t want the typical compendium of lifeless rules and charts The ELT Grammar Book 2nd Edition is for you In each chapter author Richard Firsten entertains you through comics history and

his folksy narrative style engages you in active learning through reflection questions and exercises makes the grammar clear through teacher friendly explanations and examples helps you process and retain the material with summaries of the core points offers you suggestions for dealing with troublesome issues as well as teaching tips for each grammar topic and provides online chapter supplements at ELTgrammar.com
