

IGCSE History examination tips for Paper 2: Prescribed Topic

This guide is specifically focused on strategies to think about when answering the questions for the prescribed topic on Paper 2 on the 2016 exam. If you know your material, and you know how to tackle the specific prompt words in the questions, history will be made with excellent results ☺. However, it is all up to you. A guide on examination tips is no good as pages of words – so read, absorb, and perform.

Paper 2 (Source-based paper on a prescribed topic):

For the May/June 2016 exam session, the prescribed topic for the 20th century option is ‘Why did events in the Gulf matter, c. 1970 – 2000?’

There will be six questions to answer, based on a variety of **source material**, and on the candidate’s **own knowledge** (as necessary). As there are no past papers, I think it is really valuable that you prepare for this exam by doing the following:

- **Revise** Chapter 7 from the CIE endorsed text book, that is, Cantrell, J. et al (2013) *20th Century History for Cambridge IGCSE* Oxford University Press [ISBN 9780199136360]
- Download the **specimen paper AND the mark scheme** at the CIE website: <http://www.cie.org.uk/programmes-and-qualifications/cambridge-igcse-history-0470/past-papers/>
- **Practice** on the specimen paper, and pay careful attention to the mark scheme.

To practice for Paper 2, even though the specimen paper is not on the topic, you need to remember that you are showcasing your content knowledge, but probably more importantly, your skills at answering source-based questions. SO, think about the skills you are using in the practice as these skills will be needed for the prescribed topic on the Gulf in May 2016. Practice your timing in answering the questions, and your ability to read and interpret sources. You will also need to be able to answer questions that ask ‘How far’ or ‘To what extent’. The successful candidate will address all aspects of the questions asked and reach the highest level of marks. Ready? Here is a suggested approach:

1. Look at the **structure** of Paper 2. It will have the following elements:
 - An **overarching question** at the beginning: this can be developed by the examiners from the syllabus content, or it could closely mirror the questions of focus in the syllabus. If one of the following syllabus questions came up, would you be able to answer it?
 - Why did events in the Gulf matter, c. 1970 – 2000?
 - Why was Saddam Hussein able to come to power in Iraq?
 - What was the nature of Saddam Hussein’s rule in Iraq?
 - Why was there a revolution in Iran in 1979?
 - What were the causes and consequences of the Iran-Iraq War, 1980 -88?
 - Why did the First gulf War take place?
