Major,2013-07-01 Only a man knows how he wants to be treated and what makes him happy Men think differently than women and this causes communication issues After being in several relationships you begin to mature and understand what you like I felt that there should be some type of guide to let women know how to treat a man in order to make him happy So I wrote this book to help women to do the things that will keep their man happy If you have a good man then it is worth listening to some of the advice in this book but if you don t have a good man then just save some of these lessons for when you meet that good man in the future

*Dating and the Older Man* Jerome Albers,2003 The book is baded on my real life experiences as an older man in the Dating game for over 15 years After years in the dating game I experienced many events situations and types of women I look at these experiences honestly and humorously The statuses of women that an older man has available for dating are reviewed Also what a single man needs to do to attract desirable women and where and how to go to meet desirable women are discussed because we all know where to meet undesirable women The pleasures and pitfalls of dating romance and sex are discussed It does not show how to solve all dating problems but most of the dating problems to avoid are discussed It seems that both men and women hate dating and it is our own fault I encourage men to take control of their life and their dating The book desribes the characteristics that men desire in women and the characteristics which men find not tolerable in women It also describes the places to meet women and which are good and which are a waste of time and money It is an honest humorous and witty look at this confusing and illogical part of our social life
