Self-Improvement: Feedback to the Reader

The feedback report that I received from my supervisor during the last week of my internship was very helpful. It was a mix of positive and negative feedback. The positive feedback was that I was a good team player and that I was a good listener. The negative feedback was that I was not always on time and that I was not always following instructions. I will try to improve myself in these areas in the future. I will try to be more punctual and I will try to follow instructions more closely.
