**Holistic Solutions for Anxiety & Depression in Therapy: Combining Natural Remedies with Conventional Care** Peter Bongiorno, 2015-03-16

Complementary and alternative treatments for two of the most prevalent mental health complaints Whether it s the latest diet craze acupuncture fish oil vitamin D St John s wort or some new miracle mood cure many therapists don t feel sufficiently well versed in the various complementary and alternative CAM remedies out there to give a sound opinion Others may fear deleterious side effects or interactions with psychiatric drugs their clients are already taking Even more pervasive is the safety concern that their clients may inappropriately experiment with these treatments in lieu of more potent and sometimes necessary conventional care This book addresses all these common concerns and more when it comes to treating anxiety and depression providing an essential framework for understanding holistic care and helping to make sense of the alternative solutions available

Bongiorno a naturopath who regularly works with mental health clients walks readers through the fundamentals laying out the basic principles of holistic care the most salient CAM research to date as well as its safety concerns and steps to take to determine if it s appropriate to introduce a CAM modality to your client s treatment He also explains when holistic approaches may not be appropriate Readers are then taught how to assess lifestyle and physiological factors that can contribute to a client s anxiety and depression such as sleep diet caffeine intake exercise sunlight exposure media use low blood sugar cholesterol levels thyroid issues hormone issues digestive health and more With an understanding of these underlying factors in place

the book goes on to outline the most effective vitamins minerals botanicals and mind body therapies for anxiety and depression from amino acids to zinc acupuncture to Qi gong and everything in between including dosages best applications and contraindications How to work integratively when a client is already on an anxiolytic or antidepressant is also covered A final chapter explains exactly how to make recommendations and design a successful treatment plan best suited to your client With instructive graphics and loads of case vignettes this resource is your go to guide for understanding the complementary and alternative options for two of therapy s most ubiquitous problems **H.R. 2048, the Motor Vehicle**
