For salespeople, physical appearance is important, but there are other things that also go into making a good first impression. For example, I always ^{arrive}~~am arriving~~ at meetings on time. I ^{know}~~am knowing~~ my clients are busy people, and I understand that their time is important. Also, I always call them by name. I even keep names and information about clients in a special file online. In fact, I ^{add}~~am adding~~ information to that file this week.

In the past, I didn't pay much attention to body language. However, I am ^{learning}~~learn~~ to be more conscious of the ways I move and how to use my hands effectively. At every meeting I ^{make}~~am making~~ eye contact - especially when I first greet a client and again when I leave. I practice my greetings in front of the mirror every day. I try to remember to smile. Of course, I also want to look good. I have nice shoes, and I keep them clean and polished. I ^{think}~~am thinking~~ my new haircut makes me look good, too.
