

History 102 Unit 2 Study Guide

Lecture 10 – Absolutism

We haven't looked at politics much this semester so far, but today we are going to talk about political changes that began in France in the late 1500s that would have a profound effect on European politics for over 200 years. Absolutism began a trend toward strong central government that grew steadily down to the present and continues, in one form or another today. In this lecture and the next several, we will look at a political system called absolutism.

Terms:

princes

estates

Parliament

House of Commons

House of Lords

Diet

Estates General

Huguenots

politiques

Charles IX

St. Bartholomew's Day Massacre

Henry III

Henry IV (Henry of Navarre)

"Paris is worth a Mass"

Edict of Nantes

Louis XIII

Cardinal Richelieu

"overmighty subjects"

Some Questions for Study:

1. Discuss the political systems in Europe before the growth of absolutism. Give examples of "princes." What are the "estates"? How did the two function?
2. What is absolutism? Where did it begin? Why did it come into existence?
3. Describe the religious conflict in France during the mid-1500s. What made religious conflict so chaotic and violent in France?
4. Who were the *politiques* and what policies did they recommend in order to stop the disorder and religious violence in France?
5. Discuss Henry IV. What was he before he became the king of France? What did he decide to do as king in order to retard religious conflict?
6. Discuss the provisions of the Edict of Nantes. What was the Edict meant to accomplish?
7. Cardinal Richelieu was a pretty impressive fellow. Describe his goals for France and discuss the means he employed to accomplish them.
