**Continuing Care Renewal or Retreat? BC Residential and Home Health Restructuring 2001-2004** ,2005 It reviews the actual changes in the number of beds and services available to seniors and people with disabilities using sources from the Ministry of Health the Canadian Institute for Health Information other provinces and the regional health authorities themselves The commission argued that by shifting resources from institutional and acute care to the community and by focusing on health promotion and early intervention strategies individual health status could be improved and health care costs controlled 2 The reality of the closer to home strategy has not however always kept pace with the government s rhetoric and the funding has rarely followed the The first section examines the overall context in which the restructuring of residential and home health care services is occurring that is the reduction in the availability of acute care beds and changes in population demographics Access to available long term care beds is lower than the provincial average when measured relative to population and access to available home support From 2001 to December 2004 and home care is the lowest in the province 15 there was a net closure of 26 Similarly the undersupply of residential care and assisted living units residential care facilities in the Capital Regional District i e However the provincial government s decision to promote the substitution of assisted living beds for residential care beds was based on another assumption that the costs of assisted living to the health authorities would be about half as much as Although the discussion is residential care 20 In The Picture of Health 2002 the provincial government framed in terms of the benefits states that its

**Perspectives on Care at Home for Older People** Christine Ceci,Kristín Björnsdóttir,Mary Ellen Purkis,2013-03-01 Demographic and epidemiological changes mean that frail older people have come to be seen as an expensive problem for health care systems The challenge for professionals and policy makers is to find ways to respond to the coming crisis by delivering high quality care in the home This collection offers a critical analysis of home care policy and practice It focuses on how high quality care is provided and the practices and policies that support this It offers case studies both policy and practice oriented empirical studies from countries that share a basic orientation to social welfare Canada Denmark Finland Iceland Sweden and the United Kingdom The nine chapters set out a critical agenda for the development of good practices in challenging times This book is essential reading for students practitioners and researchers who wish to understand diverse problems in care provision for frail older persons and the complexities of policy responses in different health and social care contexts

Long-Term Care in the 21st Century Iris Chi,2013-08-27 Who pays for long term care Discover the unique approaches of seven countries around the Pacific Rim Long Term Care in the Twenty First Century discusses policies and programs for long term care in seven countries around the Asia Pacific Rim the United States Canada Japan Australia Singapore Hong Kong and Taiwan Each country is covered in two chapters one to examine the philosophy and values that underlie its approaches to long term care the second to discuss its systems of service delivery These thoughtful analyses backed up with facts and figures explain program successes and

failures in the context of demographic and social trends and with reference to the differing political systems across the region Its breadth of perspective and insightful examination of cultural differences make Long Term Care in the Twenty First Century an important contribution to the international comparative study of aging The programs in the United States Australia and Canada offer a fascinating contrast with the longer established and very different programs in the Asian countries including Japan the world s oldest country Long Term Care in the Twenty First Century provides practical information on essential gerontological issues for each country including financing arrangements development of client classification systems case management in both residential and community based systems key source documents references and Web sites political and cultural influences home based and family caregiving This valuable book provides a critical record of developments in the current transition period This multicultural perspective contributes a chance for all countries to learn from the experience of others in dealing with a problem that is increasingly important as the world population ages Long Term Care in the Twenty First Century is an essential resource for scholars service providers policymakers and anyone concerned with care of the aged not only in Pacific Rim countries but around the world     Ageing Resource Communities Mark Skinner, Neil Hanlon, 2015-09-16 Throughout the world s hinterland regions people are growing old in resource dependent communities that were neither originally designed nor presently equipped to support an ageing population This book provides cutting edge theoretical and empirical insights into the new phenomenon resource frontier ageing to understand the diverse experiences of and responses to rural population ageing in the early 21st century The book explores the resource hinterland as a new frontier of rural ageing and examines three central themes of rural population change community development and voluntarism that characterize ageing resource communities By investigating the links among these three themes the book provides the conceptual and empirical foundations for the future agenda of rural ageing research This timely contribution contains 15 original chapters by leading international experts from Australia New Zealand USA Canada UK Ireland and Norway     Community Care Practice and the Law Michael Mandelstam, 2005-03-15 This book provides comprehensive and jargon free explanations of both community care legislation and other areas of the law directly relevant to practitioners Numerous examples of legal cases and ombudsman investigations clearly illustrate the practical impact of legislation on community care     Canadian National Child Care Study: British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, Yukon, 1992     Department of Health Care Policy and Financing ... Reference Manual, 1998     Resources in Education, 1997     Social Welfare with Indigenous Peoples Professor John Dixon, John Dixon, Robert P. Scheurell, 2002-09-11 The treatment of indigenous populations by more recent immigrant groups in Africa Australasia New Zealand Europe and the Americas is examined in relation to their political subjugation social discrimination and cultural rejuvenation     Fiscal Federalism in Canada André Lecours, Daniel Béland, Trevor Tombe, Eric Champagne, 2023-11-30 Featuring insights from some of the top specialists in the country Fiscal Federalism in Canada unpacks numerous

complexities of fiscal federalism in Canada The book features key regional and provincial perspectives while taking into account Indigenous realities the three territories and municipal affairs The contributing authors go beyond the major federal transfers to examine the financing of education cities infrastructure and housing This volume shows that fiscal federalism is much more than simply an aggregate of individual programs and transfers It highlights the role of actors other than the federal and provincial governments and recalls the importance of territoriality The book pays close attention to the political dimension of fiscal federalism in Canada which is at the heart of how the federation functions and is essential to its governance Fiscal federalism is central to the funding of critical programs through intergovernmental transfers but it is also the focus of political debates on territorial redistribution In tackling essential questions Fiscal Federalism in Canada contributes to the so called second generation fiscal federalism literature taking stock of the critical sociological and political issues at its core
