

INTERVIEW QUESTIONS & ANSWERS

CARE HOMES – NURSES

Look your best. You have about 30 seconds to make a first impression, so make it a good one. Dress professionally: Suits always are appropriate; avoid loud prints or revealing clothes.

Be enthusiastic. Show interest. Smile. Speak clearly.

Be yourself. Breathe normally and let your personality shine through. Just be yourself, which will help you relax and decrease your stress.

- **Can you tell me a little about yourself?**
"I'm really energetic, and a great communicator. Working in the medical field for two years helped me build confidence, and taught me the importance of patient care. I've also got a track record of success. In my last role, I juggled a variety of patient loads, assisted in a charity fundraiser, and became an advocate for senior patients. Because of this, the hospital is launching a new educational program to teach nurses how to better care for elderly patients."
- **What made you choose nursing as a career?**
I wanted to do something in my career that is challenging, interesting, and makes a difference in people's lives on a daily basis. I have satisfaction every day by helping people.
- **How has your training prepared you for a nursing career?**
Discuss the training you have received through-out your career and give examples of how you have used it. Ideally give one example for each job you had.
- **Where do you see yourself in 5 years?**
"In five years I'd like to have an even better understanding of this industry. Also, I really love working with people. Ultimately, I'd like to be in some type of managerial role at this hospital, where I can use my people skills and nursing knowledge to benefit the nurses working for me, and the patients and hospital as a whole."
- **Why are you leaving your current role/employer**
"I've learned a lot from my current role, but now I'm looking for a new challenge in nursing, to broaden my horizons and to gain a new skill-set – all of which, I see the potential for in this job."
- **What interests you about working here?**
I really enjoy working with people; I have worked with children as well as the elderly. Also, after doing some research on Gracewell Healthcare and now seeing how vibrant it is. In my mind if I could work in England with an employer like Gracewell healthcare it would be the perfect situation for me.
