Cindy Liu, Just thirty minutes from Tokyo and set along a spectacular bay waterfront Yokohama hits different It s easygoing free swinging even a bit decadent Yokohama received Japan s first foreign influences and it was the origin of everything from Japanese jazz culture to the fashion aesthetic of Plastic Love At the same time Yokohama is more set in its ways than Tokyo less mercurial and more staidly Japanese Sleepy 1960s soda shops that simply couldn t stay in business in Tokyo still thrive in Yokohama as do the octogenarians who patronize them And for the cost of a hostel or a capsule in Tokyo you can stay in a nice three star hotel in Yokohama Yokohama is a perfect introduction for a first time visitor to Japan It s a lot more manageable than Tokyo but it s still a city of three million people with its own techno urban vibe It can also be a level up for the visitor who s already seen Tokyo and Osaka and wants to go beyond the obvious destinations and to a city where tourists seldom tread Yokohama is a beyond the obvious kind of city and I ll show you the beyond the obvious in Yokohama Yes there are the ramen museums and shopping malls that every guidebook knows about But I ll take you farther to local shopping streets and markets jazz clubs and listening bars where you re almost forced to make new friends tiny sushi bars and izakayas hidden away coffee shops and long forgotten attractions that only locals visit We ll explore the complex layered local Yokohama The one that s not in Tripadvisor The one my Japanese friends and colleagues have described and shown to me over the years The one that made me fall in love with Yokohama
