Gera Jacobs, Kathy Crowley

Llamallama Time To Share Preschool Projects:

Using Picture Books to Enhance Children's Social and Emotional Literacy Susan Elswick, 2018-01-18 This book will embed social emotional literacy and training components into the home and school environment. It provides parents and teachers with applicable children's literature that can be used to teach emotional literacy through bibliotherapy and interactive activities.

Llama Llama Time to Share Anna Dewdney, 2012-09-04 Llama has a sharing drama. Build a tower. Make a moat. Nelly's dolly sails a boat. What can Llama Llama add? Maybe sharing's not so bad. Llama Llama has new neighbors. Nelly Gnu and her mama stop by for a play date, but Llama's not so sure it's time to share all his toys. Maybe just his blocks. It could be fun to make a castle with Nelly. But wait, Nelly has Llama's little Fuzzy Llama. The fun turns to tears when Fuzzy Llama is ripped in two, all because of Nelly Gnu. Mama comes to the rescue and fixes Fuzzy, but she makes it clear: I'll put Fuzzy on the stairs until you're sure that you can share. Fun to read aloud and helpful to children and parents alike. Llama Llama Time to Share is for any child who needs a little encouragement in sharing.

Bringing Heart and Mind into Storytime Heather McNeil, 2022-04-01 Learn how to use children's books during storytime to approach sensitive topics and increase children's social emotional wellness and how to create storytimes that are engaging, participative, and FUN. The emotional challenges many children experience consume the time of teachers, exhaust parents, and sometimes lead children toward behaviors that prohibit social and academic success. Storytime to the rescue! Library storytimes prepare children for kindergarten storytimes at home and in preschools, allow teachers, parents, and children to think and talk about empathy and the importance of honoring your own and others' feelings. In *Bringing Heart and Mind into Storytime*, Heather McNeil teaches librarians and teachers how to use books to open conversations with children to teach such concepts as patience, tenacity, kindness, and teamwork. McNeil shares research on brain development, social emotional learning, and the importance of play, but she also emphasizes maintaining the fun of storytime. She recommends songs, action rhymes, games, and crafts that contribute to fun and healthy storytimes. Extensive lists of recommended books will help readers find the right ones for their audience.

A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on

particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Tools for Teaching Conceptual Understanding, Elementary Julie Stern, Nathalie Lauriault, Krista Ferraro, 2017-09-16 Harness natural curiosity for conceptual understanding Nurture young learners innate curiosity about the world and bring intellectual rigor throughout the developmental stages of childhood Concept based teaching helps students uncover conceptual relationships and transfer them to new problems Readers of this must have road map for implementing concept based teaching in elementary classrooms will learn Why conceptual learning is a natural fit for children Strategies for introducing conceptual learning Instructional strategies to help students uncover and transfer concepts How to write lessons assess understanding and differentiate in a concept based classroom How concept based teaching aligns with best practices and initiatives

Essentials Preschool Activities Brighter Child, Carson Dellosa Education, 2019-01-07 The Essentials Preschool Activities early learning workbook includes these engaging activities word searches matching games alphabet games mazes dot to dots hidden pictures This fun filled workbook provides hours of skill building activities Essentials First Grade Activities entertains children while focusing on skill development for classroom success Each page will give children s brains a boost as they work their way through activities that support critical thinking and concentration Keep children captivated in learning with the Essentials Activities series Designed to appeal to young learners this early learning activity book provides a variety of puzzles games and searches to help children develop skills while having fun

The Giant Encyclopedia of Circle Time and Group Activities for Children 3 to 6 Kathy Charner, 1996 Contains more than six hundred circle time and group activities designed by teachers to use with children three to six years old each including a suggested age a list of materials and step by step directions and features lists of related books songs and poems

Play, Projects, and Preschool Standards Gera Jacobs, Kathy Crowley, 2007 The ideas in this book will seem familiar and nonthreatening yes teachers can indeed use what they already know and what their children love but they can also enhance and expand favorite activities enriching the educational benefits of everyday experiences From the Foreword by Marilou Hyson Stimulate children s love of learning while meeting standards and benchmarks Teachers today are often challenged by and concerned about the expectations in states early learning standards They have questions about their appropriateness implementation and tendency to overlook the needs of the growing number of children who are second language learners or who have disabilities and developmental delays In *Play Projects and Preschool Standards* authors Gera Jacobs and Kathy Crowley tackle these questions and more head on providing teachers with plenty of lively creative ideas to develop children s genuine curiosity while building the skills they ll need to succeed in kindergarten and beyond In inviting informal language the authors walk readers through the creation of well planned projects and activities that both capture children s interest and enhance social and pre academic development Each chapter offers What Research and the Experts

Say snapshots and applications of the research in practice Try This activity ideas that engage children and meet standards Suggestions for tailoring activities to meet the needs of bilingual children and children with special needs This timely book is sure to give teachers the confidence and competence they need to connect the experiences that make preschool so enjoyable with the skill development that makes preschool so necessary

Literature and Literacy for Young Children Cyndi Giorgis,2024-01-22 The 8th edition of this bestselling text provides a framework and instructional strategies for identifying selecting and teaching high quality children s literature for ages 0 8 This new edition s emphasis on diverse literature will assist in positively impacting the lives of all young people Effective instructional approaches for using literature as a teaching tool are coupled with developmentally appropriate methods for sharing literature with young children This book is a foundational text for graduate and undergraduate students in early childhood education early literacy literacy methods children s literature and literature instruction

On the Write Track James Clements,2022-10-13 On the Write Track puts teachers autonomy and their knowledge of what is right for their pupils at the heart of teaching writing It explores a set of research based principles before illustrating these with case studies and examples of classroom practice Writing is about communication Learning to write gives children a voice that others will listen to a voice they can use to share their ideas articulate their feelings amuse and delight their readers and argue for what they believe in While every child every teacher and every classroom are different approaches to teaching writing can sometimes feel prescriptive whether they are based on a particular curriculum model commercial scheme assessment system or underlying philosophy This book provides freedom and choice by introducing a series of tracks for writing teaching including practical approaches to Building a community of writers in the classroom Employing a process led sequence for teaching writing Encouraging children to write for pleasure and share their own interests Exploring the use of rich and diverse texts as fuel for writing Drawing on spoken language and oracy to develop written communication Teaching grammar and punctuation to support writing Utilising feedback to help children develop their writing voice Using drama and play as starting points for writing Through considering these different tracks and thinking about how to weave them together into a coherent whole teachers can help every child to make the journey to being a confident skilled keen writer

Creating Compassionate Kids: Essential Conversations to Have with Young Children Shauna Tominey,2019-01-08 Selected as a Favorite Book for Parents in 2019 by Greater Good Young children can surprise us with tough questions Tominey s essential guide teaches us how to answer them and foster compassion along the way If you had to choose one word to describe the world you want children to grow up in what would it be Safe Understanding Resilient Compassionate As parents and caregivers of young children we know what we want for our children but not always how to get there Many children today are stressed by academic demands anxious about relationships at school confused by messages they hear in the media and overwhelmed by challenges at home Young children look to the adults in their lives for everything Sometimes we re prepared sometimes we re not In this book Shauna Tominey guides

parents and caregivers through how to have conversations with young children about a range of topics from what makes us who we are e g race gender to tackling challenges e g peer pressure divorce stress to showing compassion e g making friends recognizing privilege being a helper Talking through these topics in an age appropriate manner rather than telling children they are too young to understand helps children recognize how they feel and how they fit in with the world around them This book provides sample conversations discussion prompts storybook recommendations and family activities Dr Tominey s research based strategies and practical advice creates dialogues that teach self esteem resilience and empathy the building blocks for a more compassionate world

Early Literacy Intervention Activities, Grades PK - K Sherrill B. Flora, M.S.,2011-01-03 Facilitate literacy in special education learners in pre kindergarten kindergarten using Early Literacy Intervention Activities This 160 page book provides teachers with activities that boost 11 proven literacy skills and intervention strategies In addition the book discusses four important interventions covering early and special education literacy in great detail Key Education products are intended to engage and educate young and special learners as well as assist teachers in building a strong and developmentally appropriate curriculum for these children The product line comprised of teacher parent resource books photographic learning cards and other activity and game oriented materials is designed to assist in Unlocking the Potential in Every Child

Educate the Heart Jennifer Lee Quattrucci,2019-08-21 In a world where children are rushed from place to place often on devices teachers need to create an environment where they are given time and allowed to focus to think to create and to learn This book provides over 100 screen free ideas and activities to help teachers of students in preK Grade 6 inspire authentic learning in their classroom Teachers will learn how to promote peace all day by empowering students to handle conflict through kindness They will see how effectively implementing collaborative work space can transform the classroom into a respectful learning community There are literature based lesson plans which cover a great variety of subjects and skills such as reading writing language arts mathematical discourse movement and cooking Teachers will find ways to engage students in collaborative work critical thinking skills and find out how to encourage innovative ways to solve problems through creativity with STEM challenges and meaningful curriculum based art projects Teachers will discover ways to build community with a growth mindset approach to classroom discipline The ideas and activities in this book are designed with the whole child in mind catering to providing the best possible environment and activities to allow students to feel valued and be nurtured in a way that inspires them to reach their true potential

Stages of Literacy Development Lin Carver,2023-01-30 This book provides the theory behind integration of reading and writing throughout the stages of literacy development PK 12 It explores strategies and resources for supporting others as they provide literacy instruction Teachers literacy coaches and district leaders will be a particular focus of the book as they need to be prepared to help their faculty integrate reading and writing in their institutions Each chapter begins with a scenario or example from K 12 to flesh out the ideas presented in the chapter Followed by an anticipation guide the chapter

delves into the learner characteristics various genres text characteristics and major concepts encountered during each stage of development This theoretical background is followed by five examples of stage appropriate genre illustrating strategies for integrating reading and writing instruction The chapter concludes with activities readers could engage in to deepen their understanding of the concepts presented **Sharing the Journey** David Yellin,2017-05-12 This wonderful resource from two authors with an infectious enthusiasm for children s literature will help readers select and share quality books for and with young children Specifically focused on infants through the third grade Sharing the Journey contains descriptive book annotations instructive commentary and creative teaching activities tailored for those important years Extensive book lists throughout will help readers build a library of quality children s literature Books representing other cultures are included to help celebrate diversity as well as cultural connection Genre chapters include poetry fantasy and realistic and historical fiction A chapter on informational books demonstrates how young children can be introduced to and learn to enjoy nonfiction
