Managerial Communication Strategies And Applications:

Managerial Communication Geraldine E. Hynes, Jennifer R. Veltsos, 2018-01-20 A Practical Strategic Approach to Managerial Communication Managerial Communication Strategies and Applications focuses on communication skills and strategies that managers need to be successful in today's workplace. Known for its holistic overview of communication, solid research base, and focus on managerial competencies, this text continues to be the market leader in the field. In the Seventh Edition, author Geraldine E. Hynes and new co-author Jennifer R. Veltsos preserve the book's strategic perspective and include new updates to reflect the modern workplace. The new edition adds a chapter on visual communication that explains how to design documents, memorable presentations, and impactful graphics. New coverage of virtual teams, virtual presentations, and online communication help students avoid common pitfalls when using technology. **Managerial Communication**

Jennifer R. Veltsos, Geraldine E. Hynes, 2021-01-05 The market leading Managerial Communication Strategies and Applications equips students with the communication strategies and skills that managers need in today's workplace. Authors Jennifer R. Veltsos and Geraldine E. Hynes provide a holistic overview of communication supported with a solid research base and a focus on competencies that lead to managerial and organizational success. The Eighth Edition features new and expanded coverage of timely topics including remote working, virtual presentations, cultural sensitivity, and crisis communication. *Managerial Communication* Larry R. Smeltzer, Donald J. Leonard, Geraldine E. Hynes, 2002 Managerial Communication Strategies and Applications focuses on skills and strategies that managers need in today's workplace. The first edition of Managerial Communication stood out in the field for its strategic approach, solid research base, comprehensive range of topics, its even-handed examination of oral and written channels, and its focus on managerial as opposed to entry-level competencies. The overriding principle for the revision was to preserve the book's key strengths while bringing it in line with the early twenty-first century workplace. The chapters have been streamlined and condensed to meet the needs of a busy contemporary manager, and content was added to reflect current business practices. In short, the second edition preserves the best features of the first edition while bringing them up to date and presenting them in a concise, easy-to-read format. Today's managers will learn the skills and strategies necessary for successful and effective business communication. **Managerial Communication**
