Going well beyond the average celebrity biography, this comprehensive book looks at why Jackson is regarded as one of the most important musicians of our time, offering insights into every facet of his art, life and artistic afterlife. It looks at the methods by which his work was created, presented, received and appropriated, discusses Jackson's varied personas along with his public and private appearances, albums, conceptual art, short films and dance, and considers his use of costume, makeup and reinvention. To help readers understand the phenomenon that was and is Michael Jackson, the book focuses on Jackson's historical context through an analysis of his films, songs and books, examining him as an artist and shedding light on the political and ideological debates that surrounded him. Not shying away from the controversial aspects of Jackson's life and legacy, it also tackles questions of sexuality and racism, gender and class, comparing Jackson to artists ranging from J.S. Bach to Andy Warhol. Through its examination of Jackson's entire catalog, the work connects all the aspects of his art and life to exemplify and explain the performer's unparalleled influence in the 20th and 21st centuries. [Michael Jackson FAQ](#) Kit O'Toole, 2015-10-01 FAQ Michael Jackson may be the King of Pop, but his influence extends much further. From his childhood years with the Jackson 5 through his astonishing solo career, he consistently broke sales records, pioneered the modern music video and infused dance into rock and pop. While his life story has been well chronicled, [Michael Jackson FAQ](#) explores the stories behind his achievements. Did he play any instruments? How much of his own music did he compose? Who were his greatest influences in both music and dance? His art is his legacy, and [Michael Jackson FAQ](#) takes an in-depth look at Jackson's work with the Jackson 5 and the Jacksons, in addition to his solo catalog. Learn why current artists such as Justin Timberlake, Lady Gaga, Justin Bieber and countless boy bands still emulate his sound, look and showmanship. Questions are tackled such as whether *Off the Wall* or *Thriller* better stands the test of time.
